

## Air Force Says B52 Is World's Best Bomber

WASHINGTON (AP)—The Air Force says it has in the B52 the best bomber "in the world today," has fighters ready to move anywhere on the globe and is making advances in developing continent-to-continent missiles.

The outline of air strength was contained in the Defense Department semiannual report released Tuesday. It appeared coincidentally with a demand from a Democratic senator to Secretary of Defense Wilson to answer a dozen questions dealing with the quality and quantity of Russian planes and missiles.

### Program Not Changed

The brief air section of the report, covering a six-month period ending last Dec. 31, was written by Secretary Harold Talbott. He said the program to build to a 137-wing Air Force (from a present strength of 121 wings) has not been changed, although "it must constantly be reevaluated in the light of growing Communist capabilities."

Talbott said the appearance soon of the Boeing eight-jet B52 in the air fleet "should be of great reassurance to our people."

He said the North American supersonic-speed jet fighter F100 "is already here and the first squadron has been activated and equipped." The research and development, he said, "is turning out newer and better fighters and missiles at a steady rate."

Sen. Jackson (D-Wash.), chairman of a military applications subcommittee of the Joint Congressional Atomic Committee, made public a lengthy letter to Wilson, saying he feared Russia "will be our unquestionable superiors in air power" within a few years.

### Missiles Improved

At the Pentagon, a spokesman said Jackson's letter had been received and referred to various officials for preparation of a reply.

Jackson expressed special concern over Soviet progress in developing an intercontinental ballistic missile, saying that a "so-called victory in this race for discovery could turn the balance of world military power upside down." If the Russians attain first a ballistic missile of mere continental range—1,500 to 2,000 miles—all of Europe would be "at the mercy of Moscow," Jackson contended.

In the semi-annual report—which apparently was prepared before a controversy over U.S.-Russian air power erupted a month ago—Talbott said:

"This year (calendar 1954) has shown advances in the development of the intercontinental ballistic missile."

## Willow Run 6-Day Walkout Settled

DETROIT (AP)—Partial production was resumed at the Flint-Ternstedt plant of General Motors Corp. today while normalcy returned to GM's Willow Run transmission plant after a six-day strike.

About 900 of the Flint workers returned to their jobs on the first shift out of a total of 3,500. Most of the others attended a second meeting called to ratify the national agreement between GM and the CIO United Auto Workers.

That meeting began early this morning and went on four hours. A secret ratification ballot was scheduled at the end of the heated discussion of local issues that touched off the Ternstedt strike Monday.

## Helicopter Crashes In Pacific Raft Hunt; One Crewman Missing

TOKYO (AP)—A Marine helicopter searching for two downed Marine pilots drifting helplessly in the Pacific more than 72 hours crashed in the sea today and one of its crewmen is missing, the Navy said. Three others were rescued.

The vast armada of searching planes and ships continued hunting the first two raft-borne pilots. Contact was lost, however, with their feeble radio.

Tuesday night, a Marine Fury disappeared in the search and its pilot, Lt. Alan M. McNery of Yonkers, N. Y., is missing also.

### Wind Kicks Up Sea

In the 20,000 - square - mile search area, a bright June sun burned away the fog that repeatedly has closed in and prevented rescues after planes glimpsed the bobbing life rafts of the first two downed pilots. But a freshening wind has kicked up a heavier, more dangerous sea.

The three men rescued from

the helicopter were not injured, the Navy said. They were identified as 2nd Lt. Robert Eugene Suedes, son of Robert W. Suedes, Eathan, S. D.; Cpl. Kyle Wayne Follett, son of Harrison A. Follett, Fairview, Utah; and Cpl. James W. Huskinson, son of Emor J. Huskinson, Osage, Wyo.

### Feeble Signals Heard

The missing crewman's name was withheld.

More than 70 Air Force, Navy and Marine planes and nearly a dozen U. S. Navy, Japanese and Canadian ships were in the search for 2nd Lt. David Winton Bell, son of Charles H. Bell, president of General Mills Corp., and Capt. H. P. Montague Jr., Jackson, Miss. son of a chain store executive.

They are drifting on individual rafts, possibly 30 miles apart. One raft—believed to be Bell's—carries a weak radio. Its feeble signals have not been heard since early today, the Navy said.

## Draft Extended Four More Years

WASHINGTON (AP)—Both the house and the senate passed the draft extension act Tuesday after a futile but sharp fight in the house to kill its controversial provision for continuing the doctors draft.

The house acted first, accepting the measure, 388-5, after turning back, 221-171, a proposal by Representative Mason (Rep., Ill.) to send it back for further conferences with the senate. Just 15 minutes later the senate approved by voice vote with no debate.

The doctors draft extension is for two years and the regular draft for four. Both laws were due to expire Thursday night.

The senate had written the doc-

tors draft provision into the bill, which the house passed without it. Conferees accepted the medical section.

The "no" votes on final house passage were by Representatives Crumpacker of Indiana, Hoffman of Michigan, Mason of Illinois and Smith of Kansas (Republicans) and Barden of North Carolina (Democrat).

The medical draft, vigorously opposed by medical and dental associations, would make doctors, dentists and other trained men liable to the special draft below the age of 46.

## House May Curb Yugoslavia Aid

WASHINGTON (AP)—At least two proposals to curtail aid to Yugoslavia come up for House decision today along with a number of other moves to revise President Eisenhower's foreign aid program for next year.

Rep. Edna F. Kelly (D-NY) said she will propose eliminating all aid to Marshal Tito's Communist government. Rep. Fulton (R-Pa.) is sponsoring an amendment to bar shipment of latest model jet planes to Yugoslavia until American and other Allied air forces are completely equipped with them. The administration has opposed such curbs on aid to Tito.

The House resumes debate on the \$3,285,800,000 foreign aid measure before considering amendments later in the afternoon. A final vote on the bill is not expected until Thursday.

Yugoslavia has become a main target since Tito's agreement with Kremlin leaders on some major aspects of international relations. It is earmarked for 40½ million dollars in economic help, plus unspecified military funds, for the year starting Friday.

### Haircuts Go Up

BATTLE CREEK (AP)—The price of a haircut in Battle Creek is going up 25 cents to \$1.50. The increase was authorized by the AFL Journeymen Barbers, Hairdressers, Cosmetologists and Proprietors International Union of America.

## Boy Suffocates In Refrigerator; Five Drowned

(By The Associated Press)  
A toll of 13 accidental deaths in a 24-hour period was marked up in Michigan today.

Five persons were killed in traffic, including two boys riding bicycles on the wrong side of a highway.

Drownings claimed five lives, among them two men lost when an overloaded boat capsized. There were two fatal accidents on farms and one child suffocated in an ice box.

Gary Hodge, apparently climbed into an empty refrigerator in his parents' apartment in Detroit Tuesday. His mother, Mrs. Rowena Hodge, 26, had cleaned it out to make it shiny for a new tenant. She was in another apartment in the same building.

Firemen rushed the youngster to Children's Hospital. Gary was dead on arrival.

### Cyclists Killed

Five-year-old Robert Peets, Jr., drowned Tuesday night in a canal off a boat livery operated by his father in New Baltimore.

Russell Woodworth, 49, of Walled Lake, treasurer of Novi township, was fatally injured Tuesday night in a two-car collision in West Bloomfield township.

Edward Hakeos, 16, and Marvin Windel, 15, both of Toledo, were fatally injured Tuesday night when they were struck by a car while riding their bicycles on U. S. 23 north of the Michigan-Ohio border near Erie.

### Boat Capsizes

Henry Diteen, 76, of Clarkston, and Norman Rader, 16, of Davisburg, drowned Tuesday when a boat in which they were riding capsized in Stewart Lake, 20 miles northwest of Pontiac.

The body of Edward J. Van Orden, 16, of Mt. Pleasant, was recovered early Wednesday from Stevenson Lake 17 miles northwest of Mt. Pleasant.

State police started a search after the youth was reported missing from a fishing party Tuesday night.

## Fireworks Blaze Kills 3 Shoppers

SPRINGFIELD, Mo. (AP)—A fireworks display in a retail store blew up Tuesday, causing the deaths of three shoppers.

The exploding firecrackers and skyrockets scattered flames through the one-story structure. The building was destroyed.

The three shoppers perished in a restroom where they had fled to escape the flames. They were Mrs. Margaret Click, 56, and two sisters, Mary Williams, 11, and Linda Kay Williams, 7.

It was not known what touched off the fireworks. An employee of the store was overcome by smoke but 14 other employees and three or four customers escaped injury.

Clarence Wheeler, co-owner of the store, estimated damage at \$275,000.

## Convict Gets Life For Prison Killing

LAKE BUTLER, Fla. (AP)—George A. Heroux Jr., 25, has been sentenced to life in Florida State Prison, where he killed the assistant superintendent in an attempted break.

A 12-man jury convicted him of first-degree murder Tuesday and recommended mercy. The state had sought his death for the killing of J. C. Godwin, 56, last April. Heroux, under 50 years sentence for two Kansas bank robberies and for kidnapping two Miami policemen, had been placed in solitary confinement by Godwin two weeks earlier.

Heroux's gun, a .25-caliber pistol, had been smuggled in to him by his former wife Ruth and her husband Raymond Staffa. They are awaiting sentence upon their pleas of guilty to aiding and abetting an attempted escape.

### Differential Differ

VANCOUVER, B. C. (AP)—Paddy Sherman, Vancouver Province reporter, has resigned from the "Do-it-yourself" cult. He was told by an automobile mechanic he needed a new differential in his English car. He bought the parts and installed them himself. But he got them in wrong, he says. Now he has four speeds in reverse as one forward.

Reliable sources said Tuesday night that Borlenghi, 49, has decided to retire from public life "because of ill health." The informants said he told visitors Tuesday he would soon make a trip abroad. The reports of Borlenghi's resignation came a day after Eduardo Vuleich, secretary general of the powerful General Confederation of Labor, was said to have stepped down in favor of his assistant, Hector Hugo de Pietro. Vuleich also was active in the fight against the Roman Catholic Church.

Post office inspectors resumed direct censorship of news dispatches in communication company offices here Tuesday. The inspectors had been withdrawn Monday for the first time since the revolt. There was no explanation for their return.

### Killed On Curve

CAPAC (AP)—Charles Cook, 66, of Imlay City was killed Tuesday when his car missed a curve and struck a tree on the Capac Road in western St. Clair County. He was riding alone.

Police: "Can you give me a description of your missing bookkeeper?"

Store Owner: "He was five feet, six inches tall, and about 34,000 short."

# Steel Mill Workers Alerted For Shutdown

## Attack By MIGs Not Deliberate, President Says

WASHINGTON (AP)—President Eisenhower said today he was sure the Russians' shooting down of a U.S. Navy plane was a local occurrence and not a matter of policy.

The President's statement was made at a news conference at which he also chided the Democratic-controlled Congress for leaving undone, as he put it, a long list of his legislative proposals—some of them, he declared, vital to the nation.

### Attitude Encouraging

In discussing the plane incident, Eisenhower went somewhat further than did Secretary of State Dulles who had said Tuesday that he believed no deliberate Soviet policy was involved.

Eisenhower said it is very encouraging to note the attitude taken by the Soviet government which has expressed regret for the

(Please Turn To Page 6, Col. 2)

## Ives Says Democrats Hope To Climb On Eisenhower Bandwagon

WASHINGTON (AP)—Sen. Ives (R-NY) accused Democrats today of "trying to climb on the Eisenhower bandwagon" with claims that they are supporting the President's programs in Congress.

Ives said in an interview he regards a statement Tuesday by Sen. Lyndon B. Johnson (D-Tex.) as indicating the Democrats have concluded Eisenhower will be re-elected next year and have decided to concentrate on efforts to retain their control of Congress.

Johnson, the Senate Democratic leader, said in a statement the Senate's record in this session disproves Eisenhower's contention during the campaign last October that Democratic control of Congress would result in "a cold war of partisan politics."

After the Democrats did win control, Eisenhower told a news conference the words he used were too strong for what he had in mind.

Ives said a list of 45 bills Johnson said represent the character of the current legislative program showed the Democrats are "facing in two directions."

He noted that Johnson, shortly after issuing his statement, rallied Democratic forces to defeat a GOP attempt to authorize the atomic peace ship Eisenhower has proposed.

"The Democrats are criticizing the President on one hand and claiming to support him on the other," Ives said. "They realize they can't attack him or his program successfully and they are trying to claim credit for as much as they can get away with."

"What they are doing is trying to climb on the Eisenhower bandwagon. I don't think they believe they have any chance to beat him in 1956 and all that is left for them is to try to retain control of Congress."

## Big Producers Bank Furnaces, Set For Strike

PITTSBURGH (AP)—Employees of the mammoth basic steel industry were alerted today to begin orderly shutdowns because a strike is feared at midnight Thursday.

At the same time, the CIO United Steelworkers planned showdown talks with U.S. Steel Corp. and other big producers in the hope they will increase their offer to boost wages.

U.S. Steel, which employs 150,000 of the USW's 600,000 members, held firm to its original offer of slightly more than 10 cents an hour.

Basic steelworkers now average \$2.33 an hour.

### Equipment Cooled

While the industry prepared for a possible strike, government mediators in Washington kept a close watch on the situation.

Inland Steel Corp. began banking its furnaces at its Indiana Harbor, Ind., plant Tuesday night.

U.S. Steel said it would begin closing down sometime today. Usually 72 hours is required to cool off furnaces and close operations so machinery will not be damaged. The process can be rushed in 48 hours.

Other major producers indicated they also would start closing-down operations.

Major producers following Big Steel's lead in offering about 10 cents an hour include Inland, Republic Steel Corp., Bethlehem Steel Corp., Jones & Laughlin and Youngstown Sheet & Tube.

### Strike Unnecessary

Clifford Hood, president of U.S. Steel, said in a statement Tuesday night the industry is threatened with "a wholly unnecessary strike."

He said such a strike "would have damaging effects on the country's presently flourishing economy."

David J. McDonald, president of the USW who has never called a strike in the three years he has headed the union, reiterated in a TV broadcast Tuesday night that the union is entitled to "an even shake—a wage increase" because the steel industry is enjoying a very profitable year.

The Buffalo Courier-Express said today that it had learned from sources close to Joseph P. Molony, upstate New York director for the USW, that the union would accept a pay raise ranging from 12½ to 14 cents an hour and would call off the threatened strike.

### May Increase Offer

The newspaper said Molony was reported to have confided to associates that Big Steel would increase its 10-cent-an-hour offer to possibly as high as 14 cents. It said Molony, reached in Pittsburgh by telephone, would not confirm the report.

Iron Age, the national metalworking weekly, today predicted a peaceful settlement. The magazine reported it looks like the union will get a total increase of 13 to 15 cents an hour. It forecast steel prices will be increased an average of \$4.50 per ton.

Under its two-year contract, the USW is able to discuss wages only. Unlike the CIO United Auto Workers, it can't bargain this year for a guaranteed wage.

Hood said U.S. Steel offered a wage increase because it felt that it "would be in the interest of the national economy . . . in the hope of preventing any interruption in steel production and any setback to the country's present level of prosperity."

### No Definite Figure

McDonald repeated his claim that the industry's profits so far this year are 60 per cent higher than in the similar period of 1954. He declared the industry failed

(Please Turn To Page 6, Col. 6)

## Williams Signs FEPC Legislation

LANSING (AP)—Fair employment practices (FEPC) legislation will be signed by Gov. Williams today amid jubilation by minority groups.

The governor will sign the bill at 1 p.m. today before a selected group of officials and civic leaders who have worked for years for the enactment of the legislation.

The Michigan Coordinating Council for FEPC will hold a reception in the Hotel Olds at 2 p.m. to celebrate the realization of the law and end of 12 years of political and legislative battling for it.

## Congressmen Study Data On Lake Seaway Dredging

WASHINGTON (AP)—Army Engineers go before a House Public Works Subcommittee today in support of a 109 million dollar

project to provide 27-foot connecting channels in the Great Lakes west of Lake Erie.

The proposal, designed to tie in with the 27-foot St. Lawrence Seaway now under construction, would permit ocean going ships to sail from the Atlantic to the western reaches of the Great Lakes. The lakes' connecting channels now range from 21 to 25 feet.

### No Opposition

Chairman Blatnik (D-Minn.) told a newsman he expects little opposition to the deepening project either at the 2-day hearing opening today or later in the House and Senate.

There is no assurance, however, that Congress will act on the measure this year.

Blatnik said he will seek early House action on the measure but will not talk with the House leader-

ship as to how it will fit into this year's program until after the committee completes its report.

### Channel Now 25 Feet

The Board of Army Engineers early this year unanimously approved the proposed work to provide a 27-foot channel for both downbound and upbound traffic through the lakes. The downbound channel now has a controlling depth of 25 feet and the upbound 21 feet.

The channel deepening work could be in the St. Marys River, Straits of Mackinac, St. Clair River Lake St. Clair and the Detroit River.

Blatnik said he was surprised at the "little opposition" that has appeared so far. This is in marked contrast to the opposition that held up authorization of the St. Lawrence seaway for decades.

## Bundestag Delays New German Army

BONN, West Germany (AP)—A new delay in putting the first West Germans into uniform was seen today as the lower house of Parliament sent a bill to call up the first volunteers to committees for re-writing.

Although still approving rearmament in principle, many of Chancellor Konrad Adenauer's own supporters complained that the measure contained no guarantees of civilian control over the military and could lead to a resurgence of German militarism.

The sharp blow to Adenauer's plans came Tuesday night after a heated debate in the Bundestag.

Adenauer's request for temporary power to recruit a nucleus of volunteers pending passage of permanent army legislation came under sharp attack from representatives of all parties, including his own Christian Democrats.

Reliable sources said Tuesday night that Borlenghi, 49, has decided to retire from public life "because of ill health." The informants said he told visitors Tuesday he would soon make a trip abroad.

The reports of Borlenghi's resignation came a day after Eduardo Vuleich, secretary general of the powerful General Confederation of Labor, was said to have stepped down in favor of his assistant, Hector Hugo de Pietro. Vuleich also was active in the fight against the Roman Catholic Church.

Post office inspectors resumed direct censorship of news dispatches in communication company offices here Tuesday. The inspectors had been withdrawn Monday for the first time since the revolt. There was no explanation for their return.

(lower house). Government sources said new proposals would be readied but there was considerable doubt that the legislators could prepare and pass another bill before the start of their scheduled summer recess July 18.

The Chancellor had wanted the enlistment of volunteers under way quickly to give the free world and the Russians additional evidence before the start of the Big Four summit talks next month that West Germany is determined to rebuild its armed strength.

Adenauer's request for temporary power to recruit a nucleus of volunteers pending passage of permanent army legislation came under sharp attack from representatives of all parties, including his own Christian Democrats.

## Circuit Court - Jurors Named

The July session of the Delta County Circuit Court has been called for July 18 with Judge Glenn W. Jackson presiding.

The jurors list as released by County Clerk William Butler is as follows:

Escanaba City - Paul Corcoran, Theodore N. Dugner, Mary A. Fontaine, E. F. Zuehlke, Katherine Shanahan, Alfred J. Bonamer, John Schiska, Alfred Ottensman, Max Liedtke, Grover J. Lewis, Alfred A. Brown.

Gladstone City - Lowell Girard, Ollie Nelson, Floyd S. Ackerman, Lloyd Ketchum.

Ford River Township - Grace Ferlon, Clarence Dittich, Fairbanks Township - Cecil E. Laux, Mayme Gierke, Garden Township - Mrs. Ernest Tatrow, Vernon Peterson, Maple Ridge Township - Elina Kamine, Elizabeth Rabeau, Masonville Township - Harry Buchman, Grace Casimir, Nahma Township - Charles Segerstrom, Patrick Pahlen, Wells Township - Dale Polkey, Felix Johnson.

Baldwin Township - Ernest W. Carlson, Bark River Township - Theresa A. Seymour, Bay de Noc Township - Hans Honberg, Brampton Township - Edith Sheffer, Cornell Township - Ralph Rose, Ensign Township - Lorraine Pratt, Escanaba Township - Mrs. Agnes Clouse.

## City Council And Power Committee In Meeting Today

John H. Nunneley, Detroit, representative of the bonding firm of Miller, Canfield, Paddock and Stone, met today noon with the Escanaba City Council and the Council's power advisory committee in a discussion of a proposed solution to the city's power shortage situation.

The bonding consultants were hired by the city at the recommendation of the power advisory committee which is studying a proposal of the Upper Peninsula Power Company of Houghton.

Prior to the meeting with Nunneley and the committee, the Council met in special session at City Hall, where the following actions were taken:

Approved an amendment to the appropriations ordinance, providing additional funds for street lighting, for the contingent fund, for expenditures incurred during the fiscal year.

Authorized attendance of a city employee representative to the Municipal Employees Retirement Board meeting to be held in Marquette on July 22.

Approved the lease of a portion of Ludington Park for the Fourth of July weekend to a Newberry man, who will operate donkey rides for the amusement of the children. The city is requiring that the operator obtain insurance for the protection of the public.

The Council discussed a proposed policy regarding the enforcement of sidewalk construction where most walks are in, but a few property owners have failed to put them in. The subject will be taken up again at the next meeting.

## Coalition Cabinet Resigns In Israel

JERUSALEM, Israeli Sector (AP)—Premier Moshe Sharet's Cabinet resigned today after his Mapai (labor) party broke with the No. 2 faction in the coalition government, the General Zionists. It was expected that the Mapai, whose 47 seats make it the largest faction in the 120-member Knesset (parliament), would try to build a new coalition without the General Zionists.

## School Board Tax Protest Affirmed

HERMANSVILLE—Supt. Arne B. Johnson of the Meyer Township Schools has been informed by Edward W. Kane, secretary of the Michigan State Tax Commission, Lansing, that the protest of the local school board regarding the use of the state equalization figures has been affirmed. Johnson had appealed the allocated millage as set by the Menominee County Tax Allocation Board on the basis that the county equalized valuations were used rather than the state figures.

In his letter, Kane informed Johnson that the Menominee County Tax Allocation Board had no authority to designate a valuation other than state equalized valuation, as the basis for a levy of its allocated millage. Referring to an opinion of the Attorney General of the State of Michigan, Kane quoted as follows: "Assessed valuation, then for the purposes of allocation of tax rates by the county allocation board, means the local assessed valuation as approved or changed or corrected through the statutory process of county and state equalization. The rates allocated to the participating taxing unit by the county allocation board are to be applied against the state equalized values of such units."

Kane explained that the allocation board had no authority to do anything except to allocate millage and after the final order has been issued, the millage allocated by the county tax allocation board is to be levied on the state equalized value, which is the only true value for the levy of all taxes in accordance with the recent Supreme Court decision in the Pittsfield case. Local school officials pointed out that the allocated millage of 6.5 set by the county tax board on June 7, on the basis of county figures would not equal 5 mills on the state valuations as required by the new school aid bill for participation in state aid allowances. About 75% of the schools income is derived from state aid of various sources.

## Mrs. Nelson Dies At Manistique

Manistique — Mrs. John (Mary Josephine) Nelson, 70, of 126 S. Mackinac St., died at 6:30 a.m. today at Schoolcraft Memorial Hospital following an illness of several weeks. She was a life-long resident of Manistique.

Born Nov. 26, 1884 in Manistique, Mrs. Nelson and her late husband operated a dry cleaning shop, which her husband founded, on River St. for many years. Her husband died Oct. 13, 1935.

Mrs. Nelson is a member of Zion Lutheran Church, Ladies Aid and Missionary Society of the church and of the Pythian Sisters.

Surviving are three daughters, Mrs. Frank Genry of Manistique, Miss Myrtle of Pacific Grove, Calif., and Mrs. A. M. Heald of Waterville, Me., one sister Miss Zelma Norberg of San Francisco, Calif., and two grandchildren.

Friends may begin calling at the Kefauver-Jackson Funeral Home after 7 p.m. Thursday.

Funeral services will be held Saturday at 2 p.m. at the Kefauver-Jackson Funeral Home chapel. Burial will be made in Lakeview Cemetery.

## Briefly Told

**Reunion Meeting**—All members of the Escanaba High School class of 1930 living in Escanaba will meet Thursday at 8 p.m. at the House of Ludington. This is the final meeting before the class reunion Saturday, July 2.

**Joint Meeting**—A joint meeting of the Mothers club, Fathers club and Booster club of Holy Name High School will be held Thursday, June 30, at 8 p.m. in the multi-purpose room of the school. Plans for the July 4th picnic will be discussed. Wives of Booster club members also are urged to attend.

## Youth Gets Life In Watson Killing

Bruce V. Kins, 20-year-old Indiana prison parolee and admitted slayer of a co-worker on a farm near Watson in southern Marquette County, was sentenced to life imprisonment by Judge Glenn W. Jackson, Gladstone, in Circuit Court at Marquette today.

Kins killed Ernest A. Mattonen,

65, while robbing Mattonen on the latter's property June 2. Both had been employed on the Jerome DeBacker farm. Kins gave himself up on June 5 in Minot, N. D., after fleeing with \$47 of Mattonen's money and the victim's car.

Sentence was passed by Judge Jackson shortly before noon today, following a well-prepared hearing conducted by Prosecuting Attorney George E. Hill. Kins had previously pleaded guilty to the murder charge, and the purpose of the hearing was to determine the degree of murder.

Kins who appeared calm throughout the hearing and during the sentencing, sat quietly as the Judge sentenced him.

In sentencing him, Judge Jackson offered a lengthy statement reviewing the testimony offered at the hearing and the background of the case. He noted that the maximum sentence, life imprisonment, is stipulated by state statute under circumstances governing the defendant's crime.

## Obituary

JESSE BRYSON

Funeral services for Jesse Bryson of Ford River Road will be held Thursday at 10 a.m. at St. Joseph's Church with Father Stephen Schneider, O. F. M., officiating. Burial will be in Gardens of Rest Cemetery. Friends may call at the Allo Funeral Home after 4 p.m. today.

MRS. WILLIAM SULLIVAN

Services for Mrs. William A. Sullivan of Minneapolis, former resident of Escanaba, will be held at 9 a.m. Thursday at St. Patrick's Church. Father John Hughes of Kingsford will officiate. Burial will be in Holy Cross Cemetery. Friends of the family may call at the Allo Funeral Home beginning at 4 p.m. today.

## Perkins

Mr. and Mrs. Tony Lippens have returned from a motor trip to Detroit and Saginaw where they visited relatives and friends. They were accompanied by Mr. and Mrs. Earl Paquin of Flat Rock.

## Hospital

Albert Kubaski of Bark River Rte. 1 was admitted to St. Francis Hospital yesterday for medical treatment.

Arthur Dubord, 1820 8th Ave. N., has entered St. Francis Hospital as a medical patient.

Mrs. Ruth Snyder, 813 2nd Ave. S., is a patient at St. Francis Hospital where she underwent surgery Monday. She is convalescing satisfactorily.

## Editorials—

## Wheat Farmers Strongly Endorse Gov't Controls On 1956 Market

Upper Michigan doesn't grow much wheat. It isn't a very important item of our agricultural production, but there should be interest here in the vote last Saturday of the nation's wheat farmers on 1956 market controls, because the issue is the basic issue of government control of agricultural production.

About a million commercial wheat growers (planters of 15 acres or more) were eligible to vote in the election and nearly a third (328,000) voted. This was fewer than had been expected and the result may also have been unexpected in some quarters and certainly it was disappointing in some.

The question was: "Are you in favor of marketing quotas for wheat for the 1956 crop?" In the 1953 election 80 per cent of wheat growers voted yes. In the 1954 election 73 per cent voted yes. This year's election was expected to be closer still, but actually the majority increased. Wheat farmers showed clearly, although only a third of them voted that they want government controls continued.

This stand will influence the 1956 election campaign. It shows that American farmers haven't abandoned government controls as a favored means of maintaining their income. The problem of wheat, as

with other U. S. basic crops, is that farmers can produce more than can be sold at the government-supported price. The government buys the excess and by July 1 of this year it will have on hand approximately a billion bushels of wheat, worth \$2.5 billions of the taxpayers' money.

When the government pulled wheat and other basic crops off the free market it set up a problem of control which it has been unable to solve, except by charging the taxpayers for the difference between what it pays farmers and what it sells their produce for. It is unwilling to drop this system for fear of the effect on the general economy as well as on farming. With a free market there was no surplus problem because prices kept plantings in line.

Farm prices were dropping even under the Democrats but the Republicans' efforts to solve the farm surplus problem have brought them political brickbats and farm policy is certain to be an active issue in next year's presidential campaign because no solution satisfactory to both farmers and public is in prospect.

Proposals to solve the situation by return to a free market, producing heavily and exporting are feared generally. Some farm groups want prices supported at 100 per cent of parity and they will get 76 per cent of parity under the quotas they have voted for 1956, which means a price of \$1.81 a bushel under the government's new flexible price support. This compares with 82.5 per cent of parity of \$2.06 a bushel for this year's crop and \$2.20 for last year's crop, which was supported at 90 per cent of parity. These drops in prices are as unpopular with wheat farmers as drops in wages would be among industrial workers.

It had been speculated that perhaps the wheat farmers' falling income might lead them to abandon controls, but they have voted even more strongly for them and sealed that issue for '56. The government, trying to whittle down its huge wheat surplus, will have to sell low quality wheat for livestock feed, says Agriculture Secretary Benson. He has authority to offer supports at less than 70 per cent of parity on low quality wheat if all rates average 76 per cent.

The lesson of wheat support, and all supports, for the public: In attempting to guarantee farmers a fixed price for their products, the government has assumed an obligation which it cannot meet except by spending huge sums. Having violated the natural laws of economics in the interest of farm welfare, it has created a situation which is feared by many farm leaders because it sets up a false sense of security, based on subsidy, for farmers. The true picture of farm welfare is not apparent. Reduction of the government's role in economics (the present one was born of wartime effort to spur crop production) is desirable but improbable.

## 'Today In San Francisco'

By DAVID LAWRENCE

SAN FRANCISCO—Did Molotov torpedo the conference "at the summit"? Is there any real possibility of agreement now? For the Soviet foreign minister has announced an unalterable, rigid line of policy which offers no concession—in fact, admits no wrong in the Communist imperialism and aggression of the last 10 years. The plain meaning of the Molotov address is that he wants peace—but without any price at all to the Communists.

The Molotov address was a bombshell. It aroused adverse comments in rebuttal from the Cuban, Philippine and French spokesmen. But everybody realized that, with the speech scheduled for Friday by the U. S. secretary of State, John Foster Dulles, there could be only an implicit rather than an explicit reply because the rules of this U. N. session do not permit direct attacks by one country on another. The insults have to be carefully phrased so as to appear to be general rather than specific.

What the American delegation might have done was to schedule a speech at the Commonwealth Club here—outside the U. N. meeting—challenging the Soviet government to let some American spokesmen have time on the television and radio networks throughout Soviet Russia, so that the people there could get the other side of the story of what has been happening in the last 10 years. According to Molotov, only the Western countries have been committing aggression and threatening attack.

The British foreign secretary, Harold MacMillan, used the device of a speech at the Commonwealth Club to get off his chest a lot of things he wanted to say about what is going on in the world. For one thing, he wished to pay his respects to those in both America and Britain who talk loosely about "nationalism" and "colonialism." He said:

"Nationalism, like alcohol, should be taken in moderation—as a stimulant, not as a drug. Anyway, nationalism in Asia has often been the stooge and stalking horse of communism. These young countries need patriotism—but they need also to be protected from the blandishments of communism masquerading as idealism."

Then Mr. MacMillan went on to tell the real story of what's happening in Malaya—a British colony. He declared that it is a part of the world "where subversion is being promoted by open violence—amounting to war." He explained that the Communist terrorists "have recently turned their attention to the cities; to subverting political parties, trade unions, and—most serious of all—to forming Communist cells in schools."

Mr. MacMillan talked of the elections held in Singapore recently and the elections soon to be held in the Federation of Malaya, and then remarked:

"I've not heard of any elections in Communist-controlled territories—except the ones when 99.7 per cent of the people vote obediently for one party—the party of their masters. Dr. Gallup hasn't much of a look-in under communism."

Unfortunately, the British foreign secretary marred his speech by an oblique defense of the British policy in recognizing the Red Chinese government. He said that "the only test was that the government territory concerned—that's why we recognized the government in Communist China and sent a mission there."

But, while arguing that this doesn't mean approval of the governments being recognized, he forgot that his own government today refuses to agree to the admission of Spain into the United Nations because it dislikes Franco's government—which, of course, is in complete control of Spanish territory. Nor is the issue what Mr. MacMillan presented. Nobody quarrels with Britain did in recognizing Red China prior to the Korean war, but the critics rightly point to Britain's expressed willingness to admit Red China into the United Nations after the Peiping government intervened in the Korean war of aggression and caused hundreds of thousands of casualties. It is British readiness to ignore that phase of the behavior of the government of Communist China that has profoundly shocked Americans, especially those who don't believe international morality is advanced by rewarding an aggressor.

Perhaps the frankest and most candid expression that has come on the subject was in Mr. MacMillan's comment about the original reason for British recognition of Red China and other governments: "We do it, to be frank, to benefit ourselves—not to please them. . . . This may be the right or wrong view of what is expedient. But it's certainly nothing to quarrel about."

But that's the crux of the whole problem of international relations today. The British cry out when their interests are damaged in Malaya, but they are evidently willing to play the game of expediency in other parts of world. America alone carries the torch of idealism and morality. It is too bad British materialism and its concern for trade through Hong Kong, another British colony, has caused the British of both major parties in parliament to fail to see that a shortsighted course which makes compromises with evil only compounds the felonies of international crime. ## Into The Past

10 YEARS AGO

Escanaba—The tax rate for the city of Escanaba has been placed at 13.12, the second lowest rate in the city since 1922.

Au Train—Prospects for a survey for the proposed canal connecting Lake Superior with Lake Michigan beginning at this point, were practically eliminated due to apparent lack of interest. Only three people appeared to offer testimony at a hearing held here.

20 YEARS AGO

Escanaba—Manley Anderson, who is attending the Chicago Conservatory of music, arrived home today to spend the summer in Escanaba.

## Never Underestimate The Power Of These Reds

## Pollution Robbing Country Of Priceless Water Supply

WASHINGTON — (NEA) — Pollution is robbing the country of its priceless water supply.

Like a parasite it sucks up the oxygen which bacteria depend upon to consume waste and filth in rivers, lakes, streams and harbors.

Three interlocking factors account for this cesspool situation which will soon have a critical effect upon water resources, say experts at the U. S. Public Health Service.

1. Bigger populations and bigger industries are dumping more and more refuse into the nation's waterways.

2. More men and machines are demanding increased amounts of usable water in homes and factories.

3. Yet the over-all supply remains the same. Science has not come up with a sure-fire rain maker.

"We're going to have to run like the devil to stand still," says an expert on water control and pollution. He's not kidding. Here's why:

By 1975 it is estimated the U. S. population will have soared to 200 million; that's a jump of 40 million persons. And in 20 years present industrial production will have doubled.

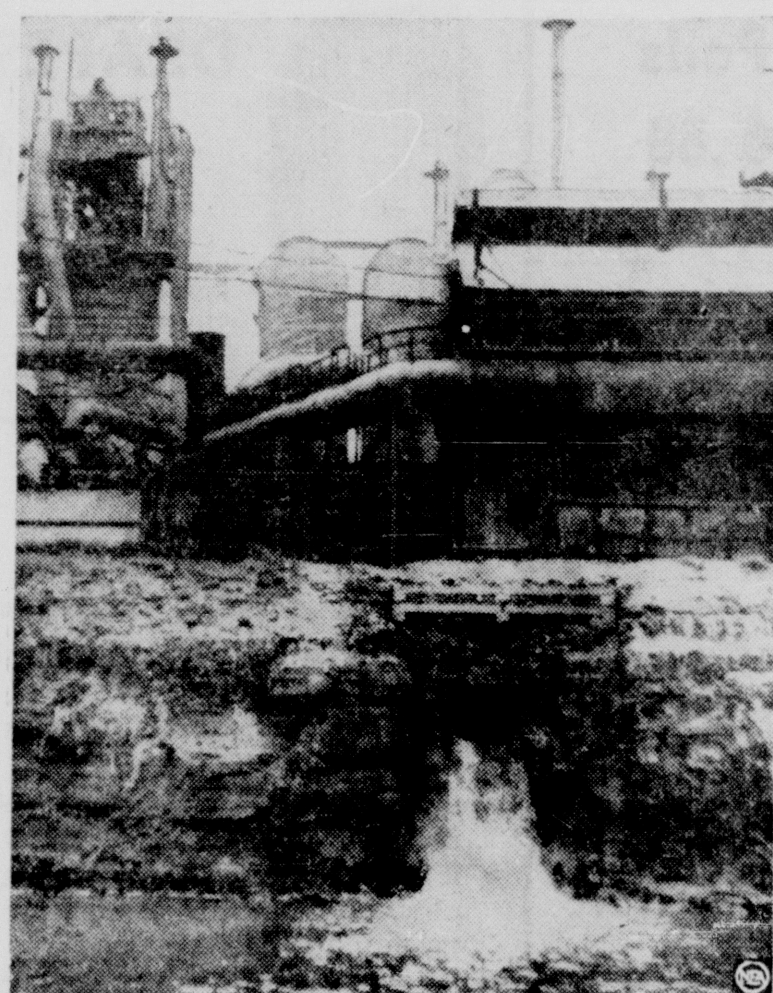

Per capita water consumption is already increasing four to five per cent each year. Whereas 127 gallons of water are now consumed daily per person, the figure will be up to 145 gallons in 20 years.

Present trends indicate industrial water demands will skyrocket 170 per cent and municipal demands 50 per cent by 1975. Factories, plants and mills are already gulping up a staggering quantity of water.

The steel industry, for example, drinks up approximately 13 billion gallons a day. It takes 365,000 gallons of water to produce one ton of rayon yarn and 510,000 gallons to make 1,000 yards of woolen cloth.

Modern conveniences like air conditioning are drawing off huge amounts of water. Sanitary engineers figure one large building may use three million gallons of water a day. This is as much as a city of 12,000 people consumes in the same period.

"The time has come when we must reuse our water in order

INDUSTRIAL POLLUTION of nation's rivers is typified by this steel mill which allows its refuse to pour into a waterway.

to have an adequate supply," says Maurice Le Bosquet Jr., deputy chief of the water supply and water pollution program at the Public Health Service.

"The solution is to purify and to treat already used water of cities and industries in order to maintain high quality and thus to permit repeated use as the streams flow from city to city and from industry to industry."

He and others point out, however, that this is a gigantic and expensive task. And certain industrial developments are making it even harder.

Detergents, for example, are giving sanitary engineers a whopping headache. Tons of this new type cleaner are swirling down the drains of American homes. It's causing a major snafu at numerous purification plants because detergents so successfully stir up and break apart clumps of dirt.

This completely disrupts the standard filtration process which operates on the principle that filth settles to the bottom of a tank.

Strange chemicals from new industries are giving health officials plenty of worries. Some of them are highly poisonous and corrosive. Generally, industrial waste consists of oils, acids, chemicals, greases, mineral salts and animal and vegetable material.

Now synthetic chemicals and fibers, insecticides, rodenticides, plastic and radioactive wastes are being fed into waterways. Ordinary water treatment systems cannot handle some of these complex chemicals.

Today, more than 3,500 industries are discharging raw waste into water without any attempts at treatment. In New England the situation is probably the worst, for 910 industries out of 1,146 in the area are doing this.

But other regions are guilty. From Pittsburgh to the Mississippi River, the Ohio River is seriously polluted. A few of the cities affected are Pittsburgh itself, Wheeling, W. Va., and Cincinnati.

In both these regions the cause is both municipal and industrial with the emphasis on the latter. In the South the influx of new industries is just beginning to cause problems.

In the West and far West where water is scarce due to droughts, pollution can mean ruin.

I have received many reports of people turning to God behind the Iron Curtain . . . there is a great spiritual hunger there.—Evangelist Billy Graham.

SEWER OUTLETS LIKE THIS are typical of many cities, discharging domestic sewage and industrial waste into streams.

## Edson In Washington

By PETER EDSON

(NEA Washington Correspondent)

WASHINGTON—(NEA)—American flag international airlines are now blaming the U. S. State Department for what they call the "giveaway" of New York-to-Latin-America air routes to the revived German government Lufthansa airline.

Following the demands made by the Senate Commerce Subcommittee under Chairman Warren Magnuson (D-Wash) the U. S. airline representatives will get another chance to protest against the Civil Aeronautics Board decision in this case. It probably won't do any good.

CAB made a unanimous 4-0 recommendation to give Lufthansa Caribbean and South American routes as well as a polar route to San Francisco or Los Angeles. Board Member Josh Lee was in Japan. Member Joseph P. Adams protested that the State Department used undue interference on the board, but in the end he voted with the majority. Chairman Ross Ritzley thinks the board won't change.

Nobody at the White House and no Cabinet officer can be blamed for any part of this one, as they were in the Pacific route case earlier this year. This was entirely a State-CAB deal. But the inside story on how the negotiations were conducted sheds a slightly different light on what has become a celebrated case in Washington and commercial aviation circles.

CAB Member Chan Gurney, a former chairman, was the chief negotiator of the German agreement. He reported to the full board daily, so they were kept constantly advised of progress.

Edward Bolster, deputy chief of Transportation and Communications, was chief negotiator for the State Department. He had a small staff of advisers, including Thomas Carter, civil air attaché at the American embassy in Bonn.

ATA—the Air Transport Association of U. S. commercial airlines—was represented by Paul Reiber. He sat in as an observer at all sessions and reported the American carriers' position on all issues. He did not sit with the board when it made its decision.

Before the board took up the German application for air route certification, however, the American airline representatives were called in. They expressed their opinion on which routes the Germans should be given and which they should not get. These were not star chamber sessions, therefore, as has been charged.

State Department representatives made clear from the beginning that they would not interfere with CAB in its decisions on which routes the Germans should get. That was the CAB responsibility. But State did ask that the Germans be given generous treatment, as in the best interests of the United States.

The Germans had initially applied for practically every route it was within the power of CAB to grant. Gurney refused to give all these rights. On June 8 it looked as though the negotiations would break down.

The State Department team came over the next morning and made a new plea of more liberal treatment for the Germans—still without indicating which specific routes Lufthansa should get.

After the State boys left, CAB went into another huddle and came up with a new position. This was acceptable to the Germans. But Reiber of ATA, learning of it then for the first time, filed violent objections.

In defense of the CAB findings, Gurney says Lufthansa will be authorized to make only through flights, Germany to Boston, New York or Philadelphia and on to Latin-American points or return. This is the long way round for anyone going from Germany to Latin-America.

Present indications are that the traffic will justify one flight a week, says Gurney, or maybe two later on. The list of U. S. routes denied the Germans has not been made public.

In return for this, the U. S. Trans World Airline will be given German authority to fly Frankfurt to Zurich and beyond. TWA is not objecting to the CAB routes given Germany.

Pan-American World Airways will get everything it now has on temporary certification. This includes three routes—Hamburg-to-Scandinavia, Düsseldorf - Köln-Bonn, and Frankfurt-Stuttgart-Munich-Vienna and beyond.

What really burned the American carriers was that they were not given a chance to protest and urge reconsideration after CAB had reached its decision. But there's small chance to change it.

A contractor says that one of the most expensive things about a home is the upkeep. How about the devilry of youngsters?

Two teen-agers told a judge they swiped an auto just for a joke. He gave them a chance to laugh their heads off for 30 days.

The average boss sure would be surprised if he knew how many of his employees think he's ignorant.

## ESCANABA DAILY PRESS

## Words, Wit &amp; Wisdom

By William Morris

Here is our regular Wednesday word game—the sort of quiz the experts call a "multiple-choice" test—but today we are giving you quite a workout by including a few really tricky words. Watch out for them! The regular rules apply. Here they are:

For each numbered word you will find a word of almost the same meaning among the three words and phrases following it. Thus the word numbered 1 may mean practically the same as the word lettered c. Write this down as 1c. When you have written down all the answers, check against the correct pairings at the bottom.

1. Malignant: (a) slothful, (b) irritating, (c) hateful and malicious.

2. Largess: (a) compulsion, (b) liberality in giving, (c) slow movement in a symphony.

3. Glib: (a) smoothly spoken, (b) speedy, (c) well lighted.

4. Facsimile: (a) accurate summary of facts, (b) elaborate imitation, (c) exact duplicate.

5. Duroc-Jersey: (a) town in England, (b) breed of red hogs, (c) New Jersey metropolis.

ANSWERS (with pronunciations): 1c (Muh-LIG-nunt), 2b (LAHR-jess or lahr-JESS), 3a (GLIB), 4c (fak-SIM-in-lee), 5b (DYOO-rok JER-zee).

## Try And Stop Me By BENNETT CERF

Seth Wambsganns and his wife were visiting New York for the first time. Seth, impatiently waiting in the hotel lobby, called his room to urge Mrs. Wambsganns to get a move on. She didn't answer. Seth was puzzled for a moment, then a light dawned. "Give her two short rings and a long one," he instructed the operator. "My missis only picks up the phone home when she recognizes that party line signal."

Sure enough, Mrs. W. was on the wire in a jiffy, and ten minutes later the happily reunited couple were on the way to the bus station—and home on their Pennsylvania farm.

When Mr. Hahner was informed that his wife had given birth to twins, he practically blew a gasket. "Boys or girls?" asked his partner over the phone.

"I think one's a boy and the other a girl," gasped the ecstatic father, "but it could be it's the other way around."

The Doctor Says . . .  
Struggle Goes On Against Insect Enemies Of Man

By EDWIN P. JORDAN M.D. — Written for NEA Service

Some insects—the honey bee for example—are friends of the human race. But there are also harmful and annoying insects. The battle against them, particularly those that carry such important diseases as malaria, yellow fever, plague and typhus, goes on and on.

Insect control aimed at preventing harmful insects from carrying human diseases has been actively carried out for only 50 years or so.

At first about all which could be done was to drain or destroy the breeding places. For mosquitoes, fish were put into the pools where the insects bred, oily substances were sprayed over the surface and measures of a similar nature taken.

Paris green came along a little later. Other substances like pyrethrum have insect-killing powers.

From the standpoint of the battle against insects, World War II was a great success. Better chemicals were badly needed and D. D. T. was one of the results of the intensive studies carried out at that time.

D. D. T. is not perfect in all respects. For example, house flies which are exposed to it gradually become resistant.

But still other insect killers have been developed and some are already on the market.

However, it is not diseases alone which make some insects our enemies. The ordinary mosquito bite is uncomfortable enough. The reaction to mosquito bites is not always alike.

That this is so is pointed out well by a letter which said, "Every summer I get

many mosquito bites no matter what insect repellent I use. These bites itch so much that I finally break the skin and cause a sore."

In others the reaction is slight and lasts only a short time.

When the mosquito bites, it probably pushes something into the skin but just what this substance is still a matter of debate. It is generally believed to be similar to the chemical which bees inject when they sting.

There have been attempts to make extracts from the mosquito in order to create resistance to the bite. These trials, however, have not been too successful.

Even if a satisfactory substance could be discovered and prepared for this purpose, the resistance probably would not last very long and would have to be repeated each year and usually would not be worth the effort.

Another important insect is the spider. Hundreds of kinds of spiders are found in the Americas, but apparently only one, the black widow spider, is likely to produce severe symptoms by biting.

This is a shiny coal-black spider, usually marked with bright red or yellow or both. The female is the deadly one. She measures about half an inch long on the average. When she bites she forces poison into the tissues which may make one extremely ill and can even cause death.

Fortunately, bites by black widow spiders are not too common, although it is a wise person who looks for these insects in dark places in sections of the country in which they are known to exist.

## Lobbyist Won't Lose Wayne Job

DETROIT (AP)—The Wayne County Road Commission says John C. Jacoby has not lost his job as its general counsel despite his suspension as a special assistant attorney general.

Jacoby was suspended Monday at least for the duration of an inquiry by Attorney General Thomas M. Kavanagh into the reported firing of Rep. Leonard E. Wood of Detroit from his job on the commission.

Kavanagh said he had learned that Jacoby was registered as a lobbyist for the commission in Lansing.

Gov. Williams ordered the investigation of Wood's complaints that he lost his job because he did not support the commission's opposition to the \$5-million-dollar state highway bill recently passed.

Wood was elected to the Legislature as a Republican but switched his allegiance to the Democrats in the last sessions.

John McElroy, road commission personnel director, said Wood was fired because he overstayed a leave of absence. His stand on the highway bill was not involved, he said.

## Girl Set On Fire In Tavern Dies

MOBILE, Ala. (AP)—A new Orleans Negro has been charged with murder in the death of a girl companion he admitted setting fire to during an argument in a tavern.

Betty Jean Watts, 19, died Tuesday of burns on about 70 per cent of her body. Willie Jackson, 23, admitted in a signed statement that he dashed gasoline on her last Thursday and then tossed a match.

## Roused From Bed, Gets Rock On Head

BOWLING GREEN, Ky. (AP)—Sim Edmons, about 50, climbed out of bed Tuesday night to answer a knock at the door and was promptly strangled on the head with a rock.

The assailant then took a closer look at Edmons and the house and offered an immediate apology.

"I not only got the wrong man, I even got the wrong house," he said.

He offered to take his victim to the hospital but Edmons declined. He returned to bed, refusing to identify the man or obtain a warrant against him.

## Sees Husband Drown

KALAMAZOO (AP)—While his wife looked on helplessly, Jack Torrey, 20, drowned in Long Lake Tuesday. Mrs. Torrey, an expectant mother, screamed for help but her cries were unheard. Torrey, unable to swim, slipped from an inner tube raft into eight feet of water.

## LITTLE LIZ

An afterthought is what tells you to shut up after it's too late.

## The Bible---Can You Quote It?

## Out Our Way

By J. R. Williams

## Big Producers Bank Furnaces For Steel Tieup

(Continued From Page One)

to disprove his contention that the workers have a "very real need for a substantial wage increase."

McDonald never has explained just what he means by "substantial." A few days ago, however, he said the steelworkers need not be treated as "second class citizens," referring to the recent contracts negotiated between the UAW and the Ford Motor Co. and General Motors Corp.

The contracts with Ford and GM included a 20-cent an hour package, featuring a provision for a modified guaranteed wage. Hourly workers were granted a 6-cent-an-hour wage boost. Skilled workers received an additional 8 cents.

Hood said that if the UAW accepts the original offer "the wages of steelworkers would be higher than those of the workers in more than 95 per cent of all American industry."

## COPPER STRIKE NEAR

The probability of a strike in the nation's copper and other non-ferrous metals industry grew stronger today.

Denver headquarters of the International Union of Mine, Mill and Smelter Workers (Ind) announced its wage policy committee has authorized union officers to call a strike Friday if they so elect.

Meanwhile, negotiations between union officials and representatives of the "big four" copper producing companies continued.

The union said its officials will decide whether any contracts should be extended beyond the Friday deadline.

"Consideration will be given to the progress of negotiations in each company up to the June 30 midnight contract termination hour," the statement said.

Mine-mill officials estimated that 50,000 to 60,000 workers would be involved in a strike call. If strike action is taken, it would be effective with the start of the day shift Friday. This varies in different sections.

The CIO expelled the mine-mill union in 1950, charging its officers were communist-dominated.

## Bum Covered By City Bulldozer Protests

CHARLESTON, W. Va. (AP)—Being buried alive was all in a night's sleep for Bill Tinsley, a 55-year-old "repeater" in City Police Court.

At least, that's what the Charleston resident told police Tuesday when he was pulled from beneath a dump heap on the bank of Elk River.

A bulldozer operator could hardly believe his eyes when he saw a pair of feet protruding from a pile of dirt and debris shoved to one side. His call brought two patrolmen, who began digging frantically in the dirt.

Tinsley was found near the bulldozer, loudly protesting the sudden interruption in his sleep. He will be arraigned today on a drunk charge.

## Blinded In 2 Mishaps, Little Girl Has Third

HUNTINGTON, W. Va. (AP)—Resie Elizabeth Patrick, totally blind since she was 9, suffered the third major accident of her young life Tuesday.

Resie, who lives in Sheridan, was in serious condition in a Huntington hospital after the front wheel of a bicycle she was on collapsed and a handle bar was driven into her abdomen.

A friend, Janice Cremons, 15, also of Sheridan, was giving Resie a ride on the bicycle. Janice was treated at the hospital and released.

Resie was born with normal vision. She lost the sight of one eye when she was small, falling on a pair of scissors. She lost the sight of her other eye at the age of 9 when she ran into a clothes line.

She lost the sight of one eye when she was small, falling on a pair of scissors. She lost the sight of her other eye at the age of 9 when she ran into a clothes line.

## Racket Boss Wanted In Illinois Arrives At Mackinac Island

MACKINAC ISLAND (AP)—Frank (Buster) Wortman, sought for questioning in a gang-style killing in Illinois, arrived at this resort island today for a vacation.

He was reported "resting" at the Grand Hotel and not available for comment on an arrest order issued for him last Thursday in East St. Louis, Ill.

The order came a day after the bullet pierced body of J. Fred Koenig, convicted black market operator, was found stuffed in his car trunk. Illinois authorities said earlier they had not been able to locate Wortman, reputed racket boss in East St. Louis.

Detective Capt. Edward Johnston of the Michigan state police said he had received no requests from East St. Louis police "for anyone else" to pick up Wortman. He added, "If they ask us, we'll pick him up fast but right now, as far as we are concerned, he is just another tourist."

Wortman was photographed by a St. Louis Post-Dispatch photographer just before he boarded a train at Union Station in St. Louis. The St. Clair County, Ill., sheriff's office had been tipped earlier that Wortman was leaving on a vacation trip to Mackinac Island, Mich. But deputies sent out from the office to pick him up said they couldn't locate him.

A reporter who tried to interview Wortman at St. Louis Union Station said Wortman responded only with profanities. Wortman was accompanied by members of his family.

Police Commissioner Russell T. Beebe, whose office issued the arrest order for Wortman, said he would let Police Chief George Dowling decide whether to seek the arrest of Wortman in Michigan.

Dowling said today he was unable to ask for Wortman's arrest in Michigan since there were no grounds for a formal charge against him. He was wanted only for questioning.

John Gafner, of Lansing, director of state property management, had his visit to inspect the new office building enlivened by an upset last night while fishing here. Two companions were also dunked and rescued by fellow fishermen. Gafner left for Lansing this morning.

Dog Violations—Albert Cretens, 536 N. 8th St., Gladstone, was assessed \$5 in fine and costs in violation of the dog ordinance. Mrs. Nellie Farrell, Lake Shore Drive, Escanaba, paid costs of \$6 in Justice Caroline Nystrom's court for harboring unlicensed dogs.

## Wall Street

NEW YORK (AP)—A general decline in the stock market sent some shares down around two points today.

It was another session of slow trading. Brokers said both investors and traders were reluctant to act pending the outcome of the steel wage talks. Tuesday volume contracted to 2,180,000 shares, the smallest since May 31.

Du Pont and Standard Oil N.J. which made new highs earlier in the week, were hit by profit-taking and declined a couple of points. Also lower were General Motors, U. S. Steel, Chrysler, Westinghouse Electric, Northern Pacific, American Telephone and Allied Chemical.

U. S. government bonds were steady.

## Escanaba Youths Pay Court Fines

Two Escanaba youths, Wayne A. Servant, 19, of 1119 2nd Ave. S., and George E. Rogers, 20, of 211 N. 19th St., were arrested early today by Michigan State Police of Gladstone and held in jail for arraignment.

Servant is charged with reckless driving, possession and transportation of beer in auto, and defective brakes. Rogers, Servant's companion, was charged with disorderly conduct.

In Justice John F. DeMay's court at Gladstone today, Servant pleaded not guilty to the charge of possession of beer, and he is at liberty on \$100 bond for his appearance July 9 at 2 p. m. He pleaded guilty to the reckless driving charge and paid a fine of \$25 and costs of \$4.30; and was fined \$5 and \$2 costs for having defective brakes.

Rogers paid a fine of \$25 and costs of \$4.30 following a plea of guilty to the disorderly conduct charge.

## King Of Norway Breaks Thigh Bone

OSLO, Norway (AP)—Norway's King Haakon VII fell today and broke a thigh bone.

The 82-year-old monarch slipped on the bathroom floor in his summer resort, outside Oslo.

## Chicago Prices

(Noon Quotations)

CHICAGO BUTTER—Butter, steady; receipts 1,424,933; wholesale buying prices unchanged; 93 score AA, 56.75; 92 A, 56.75; 90 A, 54.50; 88 C, 52.50; 86 C, 50.50; 84 C, 48.50.

CHICAGO EGGS—Eggs, steady; receipts 1,424,933; wholesale buying prices 1 lower to 1 higher; U. S. large whites, 60 to 69.99 per cent AA, 56.75; mixed, 57.5; mediums, 58; U. S. standards, 32; dirties, 30; checks, 29; current receipts, 31.3.

CHICAGO POTATOES—Potatoes: Arrivals 162, on track 494; total U. S. shipments 93; supplies moderate, demand moderate and market slightly weaker. Carlot trade sales: California large whites, \$1.15 to \$1.30; round reds, \$1.00 to \$1.45; Arizona round reds, \$1.00.

CHICAGO LIVESTOCK—Cattle: (USDA)—Salable hogs 8,500; moderately active and uneven; generally steady to strong on butchers, instances 25 higher on weights over 220 lbs.; sows steady to mostly 25 higher; most of choice No. 1 to 3's 180 to 220 lb. butchers \$20.00 to \$21.00; mainly \$20.50 and above on mixed choice No. 1 to 2's; a few choice 270 to 300 lb. \$18.00 to \$19.00; a few choice 310 to 360 lb. \$16.50 to \$17.75; sows around 360 lbs. and lighter \$16.00 to \$17.75; a few choice 270 to 300 lb. \$18.00 to \$19.00; a few choice 310 to 360 lb. \$16.50 to \$17.75; sows around 360 lbs. and lighter \$16.00 to \$17.75; a few choice 270 to 300 lb. \$18.00 to \$19.00; a few choice 310 to 360 lb. \$16.50 to \$17.75; sows around 360 lbs. and lighter \$16.00 to \$17.75.

Salable cattle 12,000; salable calves 300; steers opened fairly active, closed active, steady to 50 higher; mostly strong to 25 up; heifers steady to strong; cows fully steady; bulls strong to 25 higher; vealers steady; better than a half dozen loads prime 1,150 to 1,350 lb. steers \$24.25 to \$25.00; top 250 lb. to 1,200 lb.; bulk choice and prime steers \$22.00 to \$24.25; good to low choice \$18.50 to \$21.75; top good prime heavy heifers \$24.00; most good to low choice heifers \$19.00 to \$22.75; utility and commercial cows \$11.25 to \$14.00; canners and cutters \$9.00 to \$12.00; utility and commercial bulls \$15.00 to \$16.75; most good and choice vealers \$19.00 to \$23.00; a few choice and prime \$24.00; cull to commercial grades \$10.00 to \$15.00; a few medium to low choice yearling stocker and feeder steers \$16.00 to \$21.00.

Salable sheep 1,000; moderately active, steady; choice and prime spring lambs 80 to 90 lbs. \$22.00 to \$23.00; lambs sorted out at \$20.50; a small lot good and choice spring lambs around 80 lbs. \$21.50; cull spring lambs 60 to 70 lbs. \$15.00 to \$17.50; odd head mostly utility and low-good shear lambs No. 1 pelts 100 lbs. and down \$12.00 to \$15.00; cull to choice slaughter ewes \$9.00 to \$15.00.

UNKNOWN GOVERNOR? HOUSTON, Tex. (AP)—J. H. Long sent a letter to Gov. Allan Shivers at his summer home, Magnolia, Tex. It came back marked, "unknown."

## Attacks By MIGs Not Deliberate, President Says

(Continued From Page One)

The United States has not accepted the Soviet offer.

Eisenhower said his hopes for a solid accomplishment growing out of the Big Four conference to begin in Geneva July 18 have risen in the past two months.

But he added that he still is trying not to expect too much and that there is no doubt the Marxist are still wedded to the Marxist doctrine of world revolution.

## Attacks By MIGs Not Deliberate, President Says

(Continued From Page One)

incident and offered to pay half the damage.

The United States has not accepted the Soviet offer.

Eisenhower said his hopes for a solid accomplishment growing out of the Big Four conference to begin in Geneva July 18 have risen in the past two months.

But he added that he still is trying not to expect too much and that there is no doubt the Marxist are still wedded to the Marxist doctrine of world revolution.

## Only Kidding

The President's remarks about the way the Democrats in Congress have treated his legislative program were, in effect, a reply to Democratic Senate Leader Lyndon Johnson, who cited Congress' record Tuesday as disproving the President's 1954 campaign declaration that election of a Democratic Congress could lead to a political cold war.

Eisenhower reeled off a list of legislative proposals on which he said the Democratic controlled Congress has failed to act.

Also on the domestic front: Second term—Eisenhower said with a laugh he was only kidding when he dropped some apparent hints during his New England trip that he might be thinking about running for a second term.

One of his statements on that tour was that Sherman Adams, his chief aide, had been lecturing him on the greatness of New Hampshire and that he did not know whether Adams could finish his lectures in another five years.

Dixon-Yates—Eisenhower said the administration has turned over to Congress every pertinent paper on the controversial power project but that he flatly refuses to let investigators look at the administration's files with all their confidential data on individuals.

Budget Director Rowland Hughes refused Tuesday to let Senate investigators inspect unpublished documents relating to the Dixon-Yates contract. Sen. Kefauver (D-Tenn.) in a Senate speech accused the President of seemingly trying to cover up "a shocking piece of duplicity" in negotiation of the contract.

Security—Eisenhower said he has no objection to the proposal in Congress for a bipartisan commission to investigate the government's loyalty-security program. This administration, he said, has nothing to hide and is willing to cooperate with any properly constituted investigating body. Previously Eisenhower had said he saw no need for such a study.

The Senate has voted for creation of such a commission but the House has not yet acted.

## BROWNING ACCIDENTAL

MARQUETTE—Coroner Marvin P. Fassbender Monday ruled accidental drowning as the cause of the death of Vincent Pink, 38, Big Bay, who was drowned in Bass lake Sunday night. Pink had tried to swim across the 660 yard lake and went down about 25 yards from shore. He had been out fishing with friends.

UNKNOWN GOVERNOR? HOUSTON, Tex. (AP)—J. H. Long sent a letter to Gov. Allan Shivers at his summer home, Magnolia, Tex. It came back marked, "unknown."

## Summerfield At Soo; Hints Eisenhower Will Run In 1956

SAULT STE. MARIE (AP) — Postmaster General Arthur E. Summerfield, who piloted the successful Republican campaign of 1952, Tuesday dropped what some took as a hint President Eisenhower will seek a second term in 1956.

Speaking at opening of the Soo Locks centennial celebration, the former Republican national chairman said:

"Dwight D. Eisenhower, who led a wartime crusade against the Nazi and the Fascist, who led a Cold War crusade against the Communist, the defeatist and the neutralist, now leads a third crusade—for a better and greater America; for a world of peace and justice and freedom among men."

### Slogan For GOP

"And in this third crusade, he will be once again the triumphant leader."

"The American people know that he will not rest until his full share of the job is done."

Asked if this could be taken as a hint the President would run for a second term, Summerfield said:

"If it isn't a hint, it's a hope. And in saying that, I think I'm expressing the hope of the majority of the American people, and also the hopes of millions of freedom-loving people all over the world."

The postmaster general sounded a "peace and prosperity" theme which some partisans have suggested as a Republican slogan for the 1956 presidential campaign.

Summerfield said:

"President Eisenhower's program in domestic and foreign policy is a safe, sure chart to prosperity and a peace that will be just and lasting. Already a new climate of hope and confidence and optimism is its offspring."

### Ten-Week Celebration

Summerfield's speech officially kicked off a 10-week celebration of the 100th anniversary of the opening of the first lock, which jerked

the stopper from the bottleneck of Great Lakes shipping.

July 9 has been designated as "President's Day" in the celebration, jointly sponsored by Sault Ste. Marie, Mich., and her sister city of Sault Ste. Marie, Ontario, across the St. Marys River.

President Eisenhower has been invited for the occasion, but Summerfield said:

"According to his present schedule, including the Big Four conference, it does not seem possible he can come to Michigan this summer."

Summerfield predicted more tonnage would pass through the Soo Locks in the next 25 years than in the past 100, and foresaw added prosperity for northern Michigan coming from the 100 million dollar Straits of Mackinac Bridge and the St. Lawrence Seaway.

## Cigarette Slump Blamed On Taxes

VIRGINIA BEACH, Va. (AP)—The sharp drop in cigarette consumption in the last two years is due to "ever increasing taxes" rather than fear of a link between smoking and cancer, representatives of the tobacco industry were told here Monday.

F. M. Parkinson, of Richmond, Va., director of the Tobacco Council, said the council had "ample statistical data" to support such a claim. He called for a halt in the imposition of additional taxes by states or municipalities.

Federal taxes on cigarettes average about 8 cents per pack. Taxes imposed by states and municipalities vary widely.

Ninety-five percent of the world's supply of bird's-eye maple comes from the forests of Michigan's Upper Peninsula.

Mr. and Mrs. Thomas Lewis and family, of Munising, were visitors at the home of Mr. and Mrs. Ed Lewis during the weekend.

Mr. and Mrs. Martin Henson and Children of Marion, Ind. were visitors at the home of Rev. and Mrs. Byers Sunday evening. They are spending a week at a cabin on Island Lake.

Mr. and Mrs. Russell Ruggles returned home from a weeks vacation in Lower Michigan. Mr. and Mrs. Gilbert Hyland and their little grandson, Donnie Hyland came with them to visit in Hiawatha. The Hylands are now residing in Muskegon.

Mr. and Mrs. Dennis Rodman and their four children, Helen, Sharon, Enoch and Diane of Rhinelander, were visitors at the home of Rev. and Mrs. Nile Byers Sunday evening. They are spending a few days camping up Indian Lake State Park.

Rev. and Mrs. Nile Byers received word this week that their son and daughter-in-law, Mr. and Mrs. Stanley Byers, are the parents of a son, named David Clifton Byers. He was born June 14 in Brunswick, Me. Mr. Byers, who is stationed at the Naval Air base

in Iceland, has not seen his son yet. Rev. Nile Byers attended a conference of Michigan school bus drivers held at Marquette two days last week. The conference was held at Northern Michigan College of Education. Rev. Byers will again drive the Hiawatha bus next year.

## Straits Bridge Near Spectacular Stage

ST. IGNACE (P)—The Straits of Mackinac Bridge swiftly is approaching the spectacular stage of construction-raising of its giant steel suspension towers.

Already many of the 100 million dollar span's footings are above water and form a dotted five-mile line across the straits from Mackinaw City to St. Ignace.

July 4th tourists passing between Michigan's two peninsulas can see the bridge taking shape, with tugs and seagoing cranes huffing and puffing amid the rising piers.

Last of the steel shells to be sunk for the puring of remaining concrete piers will begin to move out over the weekend from the St. Ignace base of operations.

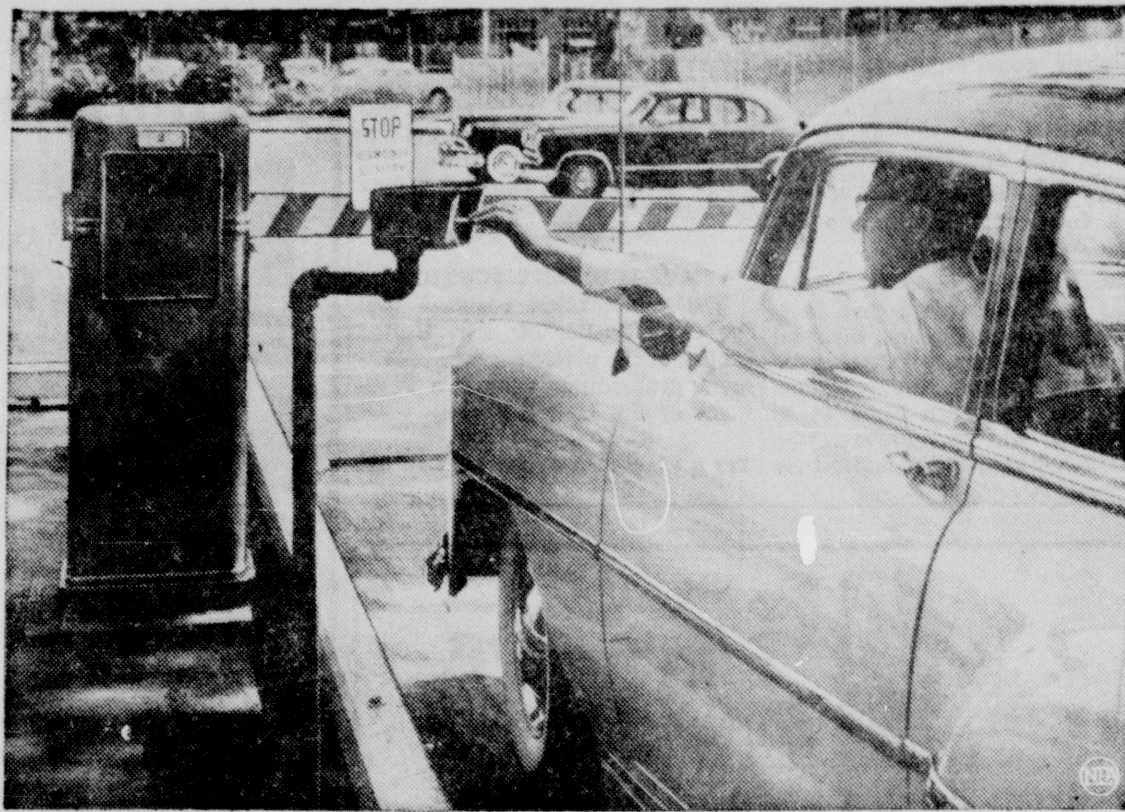

And ashore here steel girders are being stockpiled for the July date not far away when they will be barged out for stacking, one atop the other until they form towers 557 feet tall—a height which matches Detroit's 47-story Penobscot building.

The towers will support central 8,614-foot suspensory span.

While it may not look like it, 52 per cent of the foundation work has been completed in 55 per cent of the time allocated to it. Most of that done until this spring was below water, some of the piers probing down 200 feet for a bed-rock footing.

And as those footings rise higher and higher above the waves they're drawing more and more tourists. Now coin-operated telescopes have gone up at Mackinaw City to give a closeup view of work out along the water.

Opening date for the bridge is Nov. 1, 1957, and workman and supervisor alike confidently predict they'll meet the deadline getting the towers up this building season and the big cables strung after next winter's ice goes out.

**AUTOMATIC PARKING** — Without leaving his car, a Detroit, Mich., motorist inserts a special card into an electronic device on the parking lot gate. It opens the gate, which closes when the car has entered. Attendants are not needed at this lot, which parks cars daily on a monthly basis. Card for the device is coded and will not work as a "key" for more than one month.

## CONTRACT BRIDGE

### REGARDING "RULES"

ONE of the many reasons for taking so-called rules with a large pinch of salt is the fact that these rules may conflict with each other. Consider the case below for example.

East dealer.  
Both sides vulnerable.

The bidding:  
East South West North  
1♥ Pass Pass Dble.  
Pass 1♠ Pass 4♠  
Pass Pass Pass

East might have bid two clubs on the second round, over North's double, and then West probably would have sacrificed at the five-level. However, that two-club call would have been extremely risky in view of West's failure to hold the heart bid open—and as for the sacrifice at five clubs, it wasn't necessary as things turned out.

Distributed by King Features Syndicate

West opened his top heart, the seven, and East decided to let dummy's queen win the trick; he simply played the encouraging nine.

South's first move was fatal: he cashed the ace and king of trumps. When the queen refused to drop, he started to rdn the diamond suit, hoping for a heart discard, but that piece of luck failed to materialize. West puffed the third diamond, and his heart return gave East two heart tricks and one club.

South "explained" to his partner that they had been very unlucky. First (he said), since they had had nine trumps in the combined hands, the rule was to play for the drop of the queen. Second, since East made a bid and West had not even held the bidding open, there was a substantially better chance that East had the spade queen.

South was wrong; neither of his arguments were pertinent. The crucial feature was that West had to be kept out of the lead so that he couldn't send another heart through dummy's K-10. Thus, after cashing only one trump, South should have entered his hand with a diamond and finessed for the spade queen, simply as a safety play. East could do no harm if he won the trick.

## Interlochen Music Recordings Stopped

INTERLOCHEN (P)—Dr. Joseph E. Maddy, director of the National Music Camp, disclosed Tuesday that funds for the camp's tape recorded broadcasts have been stopped this year.

He said the tape recordings previously had furnished about 2,114 broadcasts of camp concerts to commercial and educational radio stations throughout the nation.

"When we found that the Michigan Legislature had not budgeted for the tape recorded broadcasts this year, we asked the Michigan Tourist Council at Lansing for assistance in the program," Dr. Maddy said.

Dr. Maddy said the tourist council was unable to furnish the funds.

## Brush Fires Top Last Year's Mark

One fire that burned over 2 acre in Escanaba Conservation District during the past week brought the total acreage burned in the 55 reported fires this year to 204.5, according to Assistant Regional Supervisor John A. Anguilm.

A total of six fires covering 8 acre in the past week brought this year's Upper Peninsula mark to 192 fires on 897.2 acres for the first half of 1955.

At this same time last year the record stood at 145 fires burning 648.7 acres at the half way mark.

The Newberry District had four fires on .5 acres this week to lead the Upper Peninsula.

One fire was reported in the Baraga District on .1 acre.

## In Service

John Vogel of 208 N. 11th St. was recently promoted to airman first class in the Air Force. His mother, Irene Vogel, lives at the above address. Airman Vogel attended Escanaba High School and worked as a draftsman in Detroit. He enlisted in January 1952 and served overseas in Sidi Slimane. He is now assigned to the 666 AC&W Squadron (radar site) in Mill Valley, Calif. He resides with his wife Barbara at 2022 4th St., San Rafael, Calif.

Warren (JoJo) Johnston, who is stationed at Camp Haugen, near Tokyo, Japan, with the quarter-master supply of the 1st Cavalry Division was promoted to Pfc. June 20, according to word received by his parents, Mr. and Mrs. Warren Johnston, #01 S. 13th St.

JoJo, who competed in the rifle division, and a sergeant of the same battery, who competed in the pistol division, were granted a week's leave of temporary duty to compete in an all Army shoot held at Sunda, Japan, where they finished in 2nd place. While there, he had a 45 minute telephone conversation with Francis Barber, son of Mr. and Mrs. Ivor Barber, 618 S. 9th St., who is stationed about 300 miles away with the Marines.

## Here Are Latest In Personal Planes

**SOMETHING FOR THE FAMILY**—This light plane with plastic wings and soon to be on the market in Italy for about \$1300. Shown in Naples, the small craft weighs just over 500 pounds, reaches 90 m.p.h. and can land in a space less than 150 feet long. Called the "M.D.B." after its inventor, Mario De Bernardi, it's powered by a 35-horsepower motor and has a rotor for vertical flight.

**FOR FAST-MOVING FAMILIES**—The French-designed Morane-Saulnier 760, a four-place twin-engine pressurized airplane, soars through the sky during a demonstration flight over New York City. The plane, which has a top speed of 410 m.p.h., was unveiled by Beech Aircraft Corp., of Wichita, Kan., which has an option to manufacture and distribute the craft throughout the U.S. and Canada.

### School Board Meeting

At a reorganization meeting of the Doyle Township School Board, held at the Whitedale School, Edward Jackson was named president, succeeding Kenneth Pawley. Mrs. Eva Burrell, secretary, and Mrs. Violet Belcik, treasurer. Mrs. Burrell replaces Mrs. Beulah Rice and Mrs. Belcik replaces Witter Reid who resigned. Don Arrowood was elected to complete the last year of Reid's term. Board meetings are held monthly and all interested persons are invited to attend the meetings.

Mr. and Mrs. Edward Jackson and family left Saturday for a week's vacation with relatives and friends in Waukegan, Ill. Enroute they will stop at Manitowoc.

Miss Patricia Kempf is spending three weeks with relatives and friends in Gladstone.

Robert Herrall underwent surgery at Memorial Hospital.

Capt. and Mrs. Harold Murphy of Toledo, have opened their summer home on Gulliver Lake.

Mrs. Glen Beal is spending a short time with Mr. and Mrs. Jack Beal and Darryl in Pontiac.

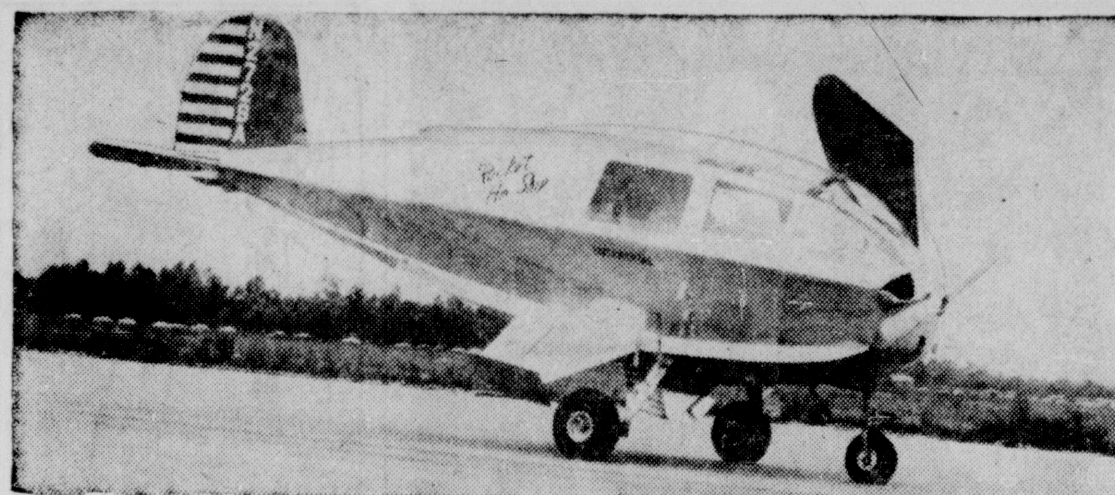

Mr. and Mrs. Edward Schwartz of Detroit are spending two weeks at Grote's Sky Ranch, McDonald Lake.

Divine services will be held at Green School Sunday, July 3.

Here is a pleasant way to overcome loose plate discomfort. **FASTTEETH**, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, soapy, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get **FAST-TEETH** today at any drug counter.

**NEED A LITTLE TINKERING**—Charles Pritchard, assistant railroad gang foreman, makes one of eight unsuccessful attempts to get his unconventional plane into the air at Emporia, Va. The

ship features short, stubby fins instead of wings, and Pritchard, who has no formal training in aerodynamics, says he'll make "repairs" and try again.

## Schaffer

Mrs. Blanche Seymour and daughters, Mrs. Tom Tousignant, Mrs. Louis Tousignant and Theresa Seymour, and her granddaughter, Charlene Tousignant, returned Saturday from a week's visit in Ontario, Canada. They attended the funeral rites for Mrs. Seymour's nephew, Dr. Thomas Provost, at Ottawa. Places of interest they visited were the Dionne home, the Parliament buildings in Ottawa, the city of Toronto and Niagara Falls. They returned by way of Port Huron and spent Friday with Mr. and Mrs. Henry Seymour in Flint.

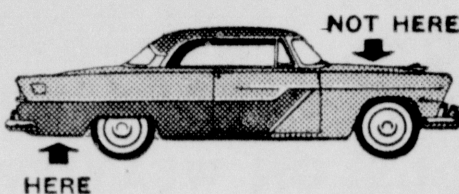

# PLYMOUTH DESIGNS WITH YOU IN MIND!

to put extra value in the low Plymouth price!

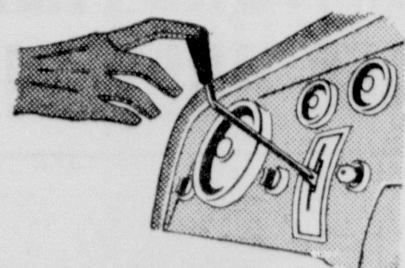

This message is for people who think all low-price cars are "pretty much alike." Of course, all cars have horns and wheels and headlights, but there's a lot of difference in the features of a car that add up to v-a-l-u-e. Here are just a few of Plymouth's features that will add to your comfort and your convenience. In the low-price 3, you'll find them only in Plymouth. Drive a new Plymouth today; see how much more its "personalized design" gives you!

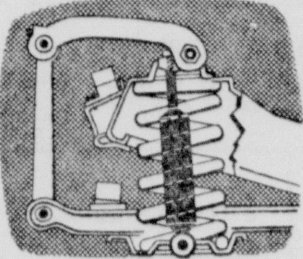

Cornerposts of Plymouth's glamorous new Full-View windshield are swept back, top and bottom (not bottom only), for better, safer vision.

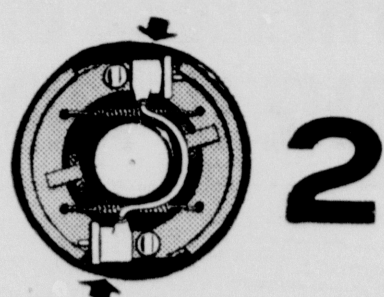

Plymouth's Oilite fuel filter is located back in the fuel tank (not on the engine) to protect the entire fuel system and engine from dirt and water.

The PowerFlite Range Selector is mounted on the dash, near the ignition key—the logical place for easiest use. You can change speed by touch alone!

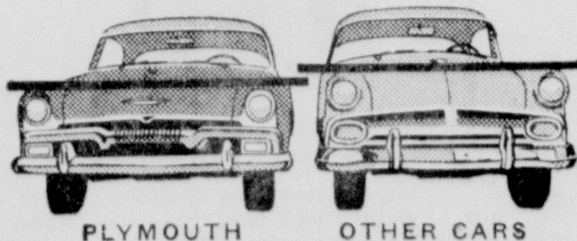

For more direct pillowing action, Plymouth mounts the longer-stroke front Oriflow shock absorbers inside the big front coil springs.

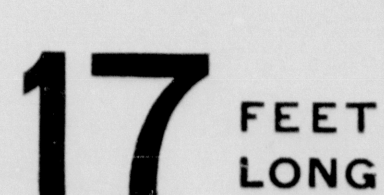

Plymouth places two hydraulic brake cylinders in each front wheel (other low-price cars use only one) for smoother stops, greater reliability.

If you ever have a blowout, your Plymouth has Safety-Rim wheels which help hold a deflated tire on the rim while you slow to a safe stop.

Plymouth's brilliant Forward Look styling gives you better forward visibility by letting you see more of the road directly ahead of the car.

Plymouth is the BIGGEST, LONGEST, ROOMIEST car of the low-price 3. In fact, you can pay as much as \$500 more for a medium-price car that's smaller than Plymouth!

BEST BUY NEW; BETTER TRADE-IN, TOO

## Lobbyist Eased From State Job

LANSING (AP)—A special assistant attorney general employed by the Wayne County Road Commission has been suspended in the midst of an investigation into the reported firing of Rep. Leonard E. Wood of Detroit by the commission.

Attorney General Thomas M. Kavanagh said John C. Jacoby, commission lobbyist, would be suspended at least until the completion of the inquiry, ordered by Gov. Williams.

The attorney general said he did not believe a lobbyist should serve as an assistant attorney general. Jacoby, he said, was one of several special assistant attorneys general appointed a year ago to assist in condemnation proceedings for Detroit expressways.

Kavanagh is investigating Wood's charges that he was fired for voting against the commission's wishes on a highway bill.

## Trenary

Mr. and Mrs. Edward Moran of Waukegan spent the weekend here visiting at the home of Paul Kallio, Hans Hallinen, and Floyd Kallio.

Dolores Hawley returned to Milwaukee after spending her vacation here and with relatives and friends in Cheboygan.

Francis Finlan and son Jack motored to Menominee Sunday and were accompanied back home by Mrs. Finlan and children Roger and Ann who spent the past five days there.

Mrs. Erwin Harris and children, Kathy, Timmy, Herbie, and David and Mrs. Donald Harris and baby are visiting with their parents in Saginaw this week.

Willo Hytinen of Milwaukee spent the weekend here and in Bergland, where she attended the wedding of her cousin.

Vance Davis left Friday for Fort Wayne, Ind., to attend a Davis family reunion. Enroute home he will visit relatives and friends in Highland and Cheboygan.

Mrs. Walter McClintock has been named chairman of St. Rita's dinner to be served July 4 at the parish hall. This is an annual affair.

Mr. and Mrs. William Hytinen and daughter Linda returned Sunday from Bergland, after attending the wedding of Mrs. Hytinen's niece, at which Linda was a bridesmaid.

The Senior Ladies Aid will sponsor a lawn party at the home of Mrs. Clyde Spielmacher July 4.

Mr. and Mrs. John Webber and family attended the picnic at Trowbridge Park, Marquette, on Sunday, sponsored by St. Christopher's Church. The Rev. A. Casanova is pastor.

Mrs. Archie Boudah and five children of Wyandotte arrived Friday evening to spend the summer here with her parents, Mr. and Mrs. Herman Viaw. Mrs. Boudah is the former Marie Viaw.

Mrs. Frank Brant and sons Paul

**ONLY A WOODEN HORSE, BUT—**Each morning when Morris Fox opens his little leather shop in Detroit, he's cheered by the sight of "Murphy" standing faithfully inside. For Murphy helps Fox remember those good old days when making harness by hand, with all the fancy trimmings, was an important, highly specialized and proud trade. Murphy is a harness model. He's lost his youthful freshness and no wonder—he's 100 years old. He "worked" for Fox 50 of those years. Automobiles killed his harness business. Today Murphy just looks on as Fox makes belts, dog collars and holsters for policemen. (Exclusive NEA Photo)

and Jack and their guest Jim Haggard of Taylor Center arrived Monday to spend a week at the home of Mr. and Mrs. Lon Taylor, Janice and Bonnie Brant, children of Mr. and Mrs. Frank Brant, arrived last week to vacation at the home of their grandparents, Jackie Taylor, daughter of Mr. and Mrs. Jack Taylor also is a guest of her grandparents this week.

## State Treasurer To Address Meet Near Menominee

Sanford A. Brown of Lansing, Michigan state treasurer and a member of the Farmers Union, will attend a dancing party sponsored by the Menominee County Farmers Union at Roubal's Hall, County Road 577, in Menominee at 8 p. m. July 2, announces Joseph Sieja, president of county union.

Brown, a farmer will speak, said Sieja, on farm conditions.

## Lattimore Trial To Be Dropped

WASHINGTON (AP)—The government has decided to drop its 2½-year-old attempt to try Owen Lattimore on charges of perjury.

Atty. Gen. Brownell made the announcement.

Brownell noted that the U.S. district and appeals courts here had twice thrown out key counts of indictments charging Lattimore with false testimony before the Senate Internal Security subcommittee in early 1952. Brownell said it thus appeared impossible to proceed on five remaining perjury counts.

Lattimore, a Johns Hopkins lecturer and Far Eastern affairs specialist, was accused of lying in denying that he had been a follower or promoter of the Communist line.

## PRODUCED IN GEORGIA

Georgia produces more than half the world's supply of naval stores, which include rosin, turpentine and other useful products, from its coastal pine forests.

## Military Reserve Program Gets OK

WASHINGTON (AP)—The House Armed Services Committee approved 29-1 President Eisenhower's revamped military reserve program and sent it back to the House.

With three other members voting present, the committee approved a rewritten measure al-

lowing the Pentagon to expand the trained reserves by calling upon teen-agers willing to volunteer for reserve duty.

The revised measure won support from Rep. Short (R-Mo), ranking GOP member of the committee and leading opponent of the original version.

Shore said the new draft is not universal military training because "there is no compulsion, it is purely voluntary."

## Inherits \$104,289

ST. LOUIS (AP)—Mrs. Anna Chulick, 48-year-old former \$1.13-an-hour factory worker, Monday became the sole heir to a \$104,289 state. She inherited it from her uncle, Michael Kowal, who died May 21 at the age of 70. Kowal had been a confectionary operator and retired 27 years ago with a "little money," which mounted through simple living and shrewd investments.

## North Western's May Net \$54,898

Net income after fixed charges and other deductions of the Chicago North Western Railway Company for May of this year was \$54,898 as compared with a deficit of \$345,136 for the same month a year ago.

Net income after fixed charges and other deductions for the first five months of 1955 was a deficit of \$2,651,989 as compared with a deficit of \$5,316,054 for the same period in 1954. Net railway operating income for May was \$487,423 as compared with \$77,573 for the same month a year ago. Net railway operating income for the first five months of 1955 was a deficit of \$411,774 as compared with a deficit of \$3,131,997 for the same period in 1954.

Total operating revenues for May of this year were \$16,210,454 as compared with \$15,205,995 for the same month a year ago. Total operating revenues for the first five months of 1955 were \$76,162,964 as compared with \$72,493,674 for the same period in 1954.

Every brewer knows that the best hops are "female" hops not yet germinated. But it's where they come from, and how they're raised that account for the difference in Goebel.

## Even sex is considered in Goebel hops

Yes, There Are "Male" and "Female" Hops—and Many Other Differences, Too. It's the Difference in Hops That Accounts for the New Live Taste of Goebel!

Of course there's a difference in beers. And the big difference is in the live taste of Goebel.

Goebel hops make the difference . . . the choice, expensive hops that bring flavor to life in every refreshing glass of Goebel you bring to your lips.

The best hops are "female" hops not yet germinated. (The male and female plants are quite different, the male having a yellow flower.) But that's only one of the considerations in the selection of Goebel hops. The place where they are raised is of vital importance, and the way they are blended.

The expensive, hand-tended, hand-picked imported hops used in Goebel are of the famous Tettnang

family of hops from Bavaria. They contribute the evanescent qualities of delicacy and aroma.

On the fertile slopes of the Yakima valley the Goebel brewmeister discovered an improved strain of the famous Goldenhop from Europe. This is the hop he chose to give buoyant character to Goebel.

Pilsen-type hops, mild as Bohemia in June, complete the sprightly trio of specially selected Goebel hops that create the great live, light taste.

Yes, there is a difference in beers today—and you're sure to find the difference in the live taste of Goebel. We invite you to try it today! Happy thought! . . . Try it now!

THE GOEBEL BREWING COMPANY  
DETROIT AND MUSKEGON, MICH. OAKLAND, CALIF.

Go for the new live taste... GO GOEBEL!

## Couple Married In Latvian Rites In Milwaukee

ROCK — Latvian born Miss Oita Zommers, daughter of Mr. and Mrs. Kristaps Zommers of Milwaukee and Eino Tapola, son of Mrs. Hilma Tapola of Rock were united in marriage in Milwaukee Friday June 24 at 5 p.m.

The wedding took place in the Latvian Lutheran Church with the Rev. Janis Meistras performing a double ring ceremony in two languages, English and Latvian. June 24 is a national holiday both in Finland and Latvia, celebrated as Midsummer Day.

In accordance with Latvian tradition, the minister escorted the bride and groom to the altar. Latvian music was played on the church organ by Mrs. O. Kreismanis. White gladioli and chrysanthemum decorated the altar.

### Myrtle Decked Veil

The bride wore a semi-formal ballerina length gown of white taffeta with lace overskirt. The fitted bodice had a V-neckline and lace cape sleeves. Her fingertip veil was attached to a tiara of myrtle and sprigs of myrtle were scattered on the veil. The use of myrtle by brides is an old Latvian custom. She carried a bouquet of white roses and carnations with white satin bows and rosebuds in the streamers.

Her sister, Mrs. Edgar Veldre of Milwaukee, was matron of honor. Her gown was ballerina length of light blue nylon with bouffant skirt and fitted bodice. She wore a corsage of white carnations.

Leo Kulkki, cousin of the groom, was best man.

Mrs. Zommers wore a blue print dress for her daughters wedding. Mother of the bridegroom was attired in a gown of pink. Both mothers wore white carnation corsages.

### Latvian Wedding Cake

A buffet style wedding supper was held immediately following the wedding ceremony at the home of the bride's sister for the immediate family members. The centerpiece was of white chrysanthemum and gladioli and 3 white candles. Two smaller identical flower settings were placed at each end of the table. In Latvian style the chairs of the newlyweds were decorated with evergreen leaves and roses. Myrtle decorations were also used in the home. The yellow wedding cake was home baked from a special Latvian recipe and was decorated with colored fruit slices.

Attending the wedding from Rock were Mrs. Hilma Tapola, Leo Kulkki, Mrs. Waino Alto and Miss Irma Siirto. The brides parents and brother Janis arrived from Germany June 17.

### Reception At Rock

Saturday members of the wedding party arrived at Rock for a reception at the Finn Hall. Dancing followed reception. The honored couple received many beautiful gifts and a purse of money. Assisting with the opening of the gifts were Mr. and Mrs. Veldre, Leo Kulkki and Mrs. Marvin Seppanen.

The newlyweds returned to Milwaukee Sunday to reside at 2302 N. 4th St. The new Mrs. Tapola is employed at the Mt. Sinai Hospital as ward secretary while Mr. Tapola, who is a graduate of the Rock High School is furthering his education at the Wisconsin State University.

Among the out-of-town guest at the Rock reception were:

Miss Alice Massey, Quinnesec; Mr. and Mrs. Keith Kleiber, Menominee; Mr. and Mrs. Swante Korpela, Mr. and Mrs. John Wakuri, Mr. and Mrs. Makiela, Jalmar Kuusisto, Miss Nancy Koski, Negaunee; Miss Irma Siirto, New York; Mr. and Mrs. Waino Linjala, Mr. and Mrs. Vilho Salminen, Duluth; Mr. and Mrs. Matt Aikala, Marquette; Mr. and Mrs. Paul Lahti, Mr. and Mrs. Alex Lahti, Iron River; Sannie Sutela, Waukegan; Miss Elaine Jyrkila, Green Bay; Mr. and Mrs. Emil Wiltanen, Munising; Mr. and Mrs. Ted Kamarainen, Gladstone; Oliver Lund, San Diego; Misses Jean and Susan Raninen, Grand Rapids; Mr. and Mrs. Emil Luoma, Chelsea, Mich.; Mr. and Mrs. William Graff and family, Chicago; Enio Valen and family, Halonen, Detroit; Emil Seppala, Flat Rock; Mr. and Mrs. Ray Lampinen, Escanaba; Mrs. Arthur Dodge, Wells; Mr. and Mrs. Raymond Pajula and family, Ishpeming.

## Births

Mr. and Mrs. Ben Deneau, Rapid River, are the parents of a son, Benjamin Joseph, born at St. Francis Hospital June 28. The baby weighed 6 pounds and 8 ounces. Mrs. Deneau is the former Alice Schofield.

A son, whose name is Randolph Paul, was born to Mr. and Mrs. Jerry J. Couillard of Wells today, June 29 at St. Francis Hospital. The infant weighed 7 pounds and 9 ounces at birth. The mother is the former Viola King.

Mr. and Mrs. Walter David Trudell Sr., are the parents of a son, Walter David Junior, born at St. Francis Hospital today, June 29. The Trudells live in Perkins and the mother is the former Ruth Johnson. The infant weighed 7 pounds and 5 ounces.

# Women's Activities

MRS. ROGER CHARLES HORCHNER, who was married in a ceremony at the First Methodist Church in Escanaba, is the former Lois Jeanne Hennessey, daughter of Mr. and Mrs. Milton Zastrow, 713 Ludington St. The bride's parents gave the reception at their home. (Lee's Studio)

## Miss Elmie LaFave, Leonard Dombrowski Are Wed Saturday

Rev. Walter Franczek officiated at the double ring wedding ceremony of Miss Elmie LaFave, daughter of Mr. and Mrs. John LaFave, Wilson, and Leonard A. Dombrowski, son of Mr. and Mrs. Joseph Dombrowski of Carney, at St. Francis Xavier Church, Spalding, June 25.

The 9 a. m. ceremony was performed before an altar adorned with snapdragons, peonies and sweet william.

The bride wore a gown of lace over slipper satin fashioned with a fitted bodice and bouffant floor-length skirt of sunburst pleated net. A net yoke and sleeves tapering to a point over the wrist detailed the gown. Her only jewelry was a string of pearls, gift of the bridegroom. A satin rosepoint cap with seed pearls secured her fingertip length veil of tulle trimmed with lace, and she carried a bouquet of white carnations and pompons.

### Nieces Are Attendants

Four nieces of the bride acted as her attendants. They were, Delores LaFave, maid of honor, and Janet Chelmecki, Norma Kositzke and Shirley Johnson, junior bridesmaids. Their gowns of yellow, pink, blue and white taffeta were identical to the bride's and were worn with matching headpieces and mitts. The attendant's bouquets of mixed summer flowers matched their gowns.

Best man for Mr. Dombrowski was his brother, Jerry, and groomsmen were Cleophis and Richard Dombrowski, two other brothers, and Harold Thinglum Jr., the bride's nephew. Ushering the guests to their seats were Harold Thinglum and Leonard Kositzke. The bride's nephews, Gary Thinglum and Timothy LaFave, carried the rings on white

## Highland Women At Menominee For Invitational

A group of women of the Highland Golf Club were guests at the Menominee North Shore Country Club invitational held Tuesday.

Golf prizes were won by Mrs. Donald Nelson who had low gross for the day, 48-46, Mrs. Wesley Hanson, low gross for other Highland players, 48-48, Mrs. H. A. McPherson, low putts for Highland, and Mrs. Ernest Martin and Mrs. Harry Ehnerd, mystery prizes.

The two guest prizes went to Mrs. Ernest Martin and Mrs. Donald Nelson.

Mrs. McPherson was high in bridge and Mrs. Conrad Desilets, second.

Other Highland members who attended were the Mesdames Einar Beck, Earl Theriault, Ben Yagodzinski, Gladwin C. Oberg, Ernest Desilets, C. Andy Anderson, C. E. Johnson and Richard Nelson.

## Benefit Square Dance At Engadine School

June and Chuck Kopta, popular professional square dance callers from Detroit, will call a square dance at the Engadine High School gymnasium July 16 at 8:30 p. m. A wall through will precede each dance so that it will not be necessary to be an expert. Dance earnings will go toward establishing a natural history museum at the Hiawatha Sportsman's Club in Engadine.

## Son Second Child In Carwile Family

Captain and Mrs. J. T. Carwile of Austin, Tex., welcomed their second child Tuesday, June 28, a son, Joseph Kenneth. The new member of the family has one brother, John Jay. Mrs. Carwile is the former Madeline Decker, daughter of Mr. and Mrs. Matt Decker of 322 S. 14th St., Escanaba. Capt. Carwile is instructor in helicopter at San Marcos Air Force Base.

## Mary Ann Marsicek, James B. Otten Married In Peoria

St. Bernard's Church in Peoria, Ill., white gladioli adorning the main altar, was the setting for the wedding of Miss Mary Ann Marsicek of Peoria and James B. Otten of Rte. 1, Washington, Ill. The double ring service was performed by the Rev. George Wuelner June 18 at 11 a. m.

The bride is a daughter of Mr. and Mrs. Jerry Marsicek of 404 S. 15th St., Escanaba. Mr. and Mrs. John H. Otten of Washington are the bridegroom's parents.

James Carrigan was soloist of the wedding service and Mrs. Edward Brown was organist.

The bride, given in marriage by her father, wore a gown of white Chantilly lace and net with a tight bodice and a very full skirt formed of multiple layers of net over blush pink extending into a chapel train. The lace was studded with seed pearls and sequins. Her fingertip veil of illusion was gathered to a crown of heirloom rosepoint lace. She carried a white orchid and stephanotis.

### Green Shantung Gowns

Miss Bernice Marsicek of Escanaba, maid of honor, and Mrs. James Knight of Peoria, bridesmaid, wore identical gowns of green shantung, styled with scoop necklines and white applique studded with rhinestones and pearls interlaced with contrasting green velvet ribbon. Green velvet ribbon loops with moss green veiling formed their headresses. They carried shasta daisies.

Pamela Otten was flower girl and Michael Otten served as ring bearer.

Jerry Otten was best man, Dr. John W. Otten was groomsmen and ushers were James Marsicek of Milwaukee and James Knight of Peoria.

The reception was held at the home of the bridegroom's parents. Assisting in serving were Mrs.

## Janet Wentland, Clarence Poupore Wed At Spalding

Rev. Walter Franczek performed the double ring wedding ceremony of Miss Janet Marilyn Wentland, daughter of Arthur Wentland, Wilson, and Clarence Poupore, son of Francis Xavier Church, Spalding, at 10:30 a. m. June 25.

A gown of white net and lace over taffeta was worn by the bride who was given in marriage by her father. A sweetheart neckline and tapered lace sleeves fashioned the bodice. The bouffant skirt, ending in a cathedral length train, was detailed by lace insertions. Her fingertip veil edged in lace was caught to a lace cap, and her only jewelry was a pearl necklace and earrings, gift of the bridegroom. She carried a bouquet of red roses, white aspinis and red rose buds.

Miss Doris Vandermissen, niece of the bridegroom, acted as honor attendant. Her white ballerina length gown of net over taffeta was worn with a matching net jacket. She carried a colonial bouquet of green and white carnations, also fashioning her headpiece.

### Identical Gowns

Pale green ballerina length gowns styled identical to the honor attendant's were worn by the three bridesmaids. They were Mrs.

Elmer Shaw, Mrs. James Kelly, Miss Arlene Zahn and Miss Doris LaFave.

### Home in Peoria

The newlyweds will live at 208 Illinois in Peoria following their honeymoon. For going-away the bride wore rose polished cotton with a white jacket, white accessories and an orchid corsage.

The bride is a graduate of St. Joseph's High School, Escanaba, and of St. Francis School of Nursing in Peoria, and is a staff nurse at St. Francis Hospital in Peoria. Her husband, a graduate of Washington High School and Spalding Institute, served in the United States Navy four years and now is with the Illinois Bell Telephone Company.

Robert Triest, sister of the bridegroom; Miss Evelyn Wentland, the bride's sister, and Miss Joyce Vandermissen, niece of the bridegroom. They wore headpieces of green and white carnations with matching colonial bouquets.

Cousin of the bride, Miss Mary Beth Tanguay, was flower girl. Her full length gown of white net over taffeta was designed with a bouffant skirt. Her headpiece and bouquet were miniatures of the other bridal attendants.

Best man for Mr. Poupore was his brother-in-law, Robert Triest, while Bernard Poupore, the bridegroom's nephew; Edward Wentland and Earl Wentland, the bride's brothers. Ushering the guests were Ronnie Poupore of Fort Atkinson, Wis., and Willard Poupore of Iron Mountain, both nephews of the bridegroom. Dale Sharkey, another of the bridegroom's nephews, carried the rings on a white and pale green sweetheart pillow.

### Lawn Reception

Immediately following the nuptial service, a wedding breakfast was served at the home of the bride's father. A dinner was held at Fleetwood's Inn for the bridal party and immediate families. A lawn reception was held at the bridegroom's home for 250 guests from 4 to 7 p. m. Bouquets of fresh garden flowers, white wedding bells and pale green and white streamers caught at a center pole decorated the lawn. During the evening, a wedding dance was held at "47" hall.

When the newlyweds left for their wedding trip, the bride was attired in a yellow suit with white accessories and a matching corsage. Upon their return, they will

reside at Spalding where the bridegroom is employed by the Potter Lumber Company. Both the bride and bridegroom are graduates of Powers - Spalding High School.

## Social-Club

### Gold Star Mothers

Gold Star Mothers will hold a regular meeting Thursday, June 30, at 7:30 p. m. at the home of Mrs. Elmer Bessonen, 603 S. 14th St. Mrs. Olga Kasten, delegate to the national convention at Miami, Fla., will present her report.

A social hour will be held and lunch will be served.

## Moonlight and Roses and... Heartburn!

#### Brakeman Gets Laughs In Bermuda Shorts

OMAHA (AP)—"They really razz me." That's what Edward Zemanek, a husky freight car switchman, said about the Bermuda shorts he wears on the job.

"They laugh and holler and whistle," he said. "I get a big kick out of it. It doesn't bother me a bit." The big brakeman said he started rolling up his overall legs, but that still proved too hot so, he said, "I just decided to wear shorts and be done with it."

#### LONG TRIP

First American ship to sail around the world was the Columbia, which put out from Boston on Sept. 30, 1787, and took nearly three years for the trip.

An acre in an average vineyard contains 500 to 800 vines.

## Lifeguard Will Teach Swimming

Tom Brewer has returned from Whitehall, Mich., where for the past ten days he attended an aquatic school conducted by the Red Cross.

At the school he qualified as a swim instructor and lifeguard. He also is qualified to give lifeguard instruction, test the various individuals taking the course and issue badges.

Swim instructions will begin in about a week and junior and senior life saving instruction will be given during the summer. Announcement will be made in the Press of the starting dates.

Brewer's attendance at the school was sponsored by the Delta County Chapter of the American Red Cross.

Brewer is a member of the lifeguard force at the local beach this summer.

## District Governor Will Install Staff Of Gladstone Lions

Installation of officers will be held by the Gladstone Lions Club at a regular meeting Thursday evening at the Yacht Club. Dinner will be served at 6:45 and ladies will be guests of the club members at the gathering.

District Governor David Olive, Stephenson, will be the installing officer and speaker of the evening.

The committee in charge is composed of Elihu Rasmussen, Walter VanDeWeghe and Paul VerHamme.

## City Briefs

Rev. and Mrs. Otto Magnuson and children, Minneapolis, spent several days visiting with friends in Gladstone. Rev. Magnuson, former pastor of the First Lutheran Church, has been pastor of Bethel Lutheran Church in Minneapolis for the past 12 years.

Mr. and Mrs. George Beaudry have returned from a motor trip into Canada on which they visited at Montreal and also at Joliet in the Province of Quebec near where Mr. Beaudry was born.

MaryAnn Hoffmann, student at Northern Michigan College, Marquette, was a weekend visitor at her parental home with the Rev. and Mrs. Theophil Hoffmann.

Mrs. James Gibson and daughter, Florence, have left to return to their home in Detroit after visiting here with the Larry Johnstons, Francis Londos and Tom Hites.

Mr. and Mrs. Vern Ketcham and son Jack and daughter Penny have arrived from Redondo Beach, Calif., to visit with Mrs. Laura Gogarn, mother of Mrs. Ketcham, and Mr. and Mrs. James Ketcham, parents of Mr. Ketcham.

Mr. and Mrs. Robert Trygg and family have moved from 909 Superior Ave., Gladstone to 523-1st. Ave. S., Escanaba.

# GLADSTONE

VAN CLEVE PARK in Gladstone has one of the finest beaches on the Great Lakes. It is a popular play these summer days as the picture above attests, with the life guard watching those in the water and with constant action on the warm, sunny sands of the beach as youth acquires a tan as a fleeting keepsake of summer.

## Will Teach Children Boat Safety, Rescues

A program of rowboat safety and elementary rescue to be climaxed by rowboat races will be held at the harbor Thursday afternoon at 2 under supervision of the Recreation department.

A demonstration of rescue equipment will be given and this includes life lines, poles, oars, ring buoy, rope of shirt and pants, use of life jacket, reaching-rescue and swimming rescue as last resort.

## Swim Safety Rules Listed

"Make this a safe swimming summer by following the simple rules," it is suggested by Recreation Director Don Pfothauer.

Don't swim unless the water temperature is at least 70 degrees. Wait at least one hour after eating before entering the water. Don't swim alone. Swim during the day only. Swim when the lifeguards are on duty. Swim only in the area where the lifeguard are on duty. Don't dive unless you know the swim area. Don't stay in the water too long. Know your own ability and use your head when in the water. Obey the swimming rules of the beach you are using.

## City Briefs

Norman Beauchamp returned Tuesday to the Bay Cliff Health camp near Marquette following a weekend visit at his parental home. He is employed as a Counselor.

Mr. and Mrs. James Rolfe of Chicago will arrive this weekend to vacation visit for two weeks with her mother, Mrs. Bertha Ades, and his parents, Mr. and Mrs. H. J. Rolfe, Escanaba.

Mrs. Milton Hendrickson has returned from Mt. Vernon, Ia., where she attended the graduation exercises at Cornell College of which her daughter Carol received her degree. From Mt. Vernon, Mrs. Hendrickson went on to Denver, Colo., where she met her mother, Mrs. James Arrowood, who was returning from San Gabriel, Calif., where she spent the winter months with her son James and his wife. Enroute here, they visited for a few days in Chicago with Mr. and Mrs. Wilbert Larson, a granddaughter of Mrs. Arrowood.

Mrs. Wesley Heslip has returned from a visit in Pound, Wis. The William Noreus family has moved from Masonville to 909 Superior Ave.

## Voting Members Of St. Paul's Church Meet On Thursday

The semi-annual meeting of the voting members of St. Paul's Lutheran congregation will be held on the evening of Thursday, June 30, in the parlors of the church. The meeting will be called to order at 7:45.

## Obituary

**WILLIAM J. GLENVILLE**  
Funeral services for William J. Glenville, who died early Tuesday at the age of 91, will be held at 2 p. m. Thursday at the Kelley Funeral Home with the Rev. Meldon Crawford, pastor of the Memorial Methodist Church, officiating. Friends may call at the funeral home beginning today.

## Bjork, Lancrate Lead Net Meets

John Bjork in the junior league and Chuck Lancrate in the senior league are setting the pace in the tennis tournaments being held at the playground.

Bjork has won three straight with Max Peterson and Jim Farrell in second with two wins and two losses while David Olson has lost 3 straight.

In the big league Lancrate has won 3 and lost 1 while Dale Willis has won 2 and lost one for second spot. Chuck Farrell divided four games, Jerry Leander won 1 and lost two and K. Olson has lost 2.

Junior league scores are Peterson over Farrell, 6-1; Bjork over Farrell, 8-6; Bjork over Peterson, 7-5; Bjork over Olson, 7-5; Farrell over Olson, 8-6; Peterson over Olson, 8-6 and Farrell over Peterson, 7-5.

Senior scores were Lancrate over Olson, 6-0; Leander over Farrell, 6-4; Lancrate over Farrell, 6-4; Willis over Olson, 6-0; Farrell over Willis, 6-3; Willis over Lancrate, 6-2; Lancrate over Leander, 6-3, and Farrell over Leander, 6-4.

SOME RECORD — Three members of Autumn Leaf Camp, Royal Neighbors, of Gladstone have their 50-year pins, which, it is believed, sets some sort of record. Pictured are Mrs. Iona Whybrew, Mrs. Robert Mathison, both of Gladstone, and Mrs. Ina Johnson, of Kipling. Mrs. Whybrew, now 85, is a charter member of Autumn Leaf Camp. Mrs. Mathison joined the Royal Neighbors at North Crandon and later transferred to Autumn Leaf Camp while Mrs. Johnson joined the lodge at Grand Marais, Mich., and later transferred to the local lodge. All have been members here for many years.

## City Briefs

Miss Shirley Martin of Milwaukee is vacationing for a week with her parents, Mr. and Mrs. Philip Martin.

Cpl. Joseph Svoke and son Joey of Gaylord visited with friends in Gladstone Sunday. They were enroute home from Chicago and Ironwood.

Mrs. Susie Little and Mr. and Mrs. Bob Miller and children Mark and Mary Ann of Glendale, Calif., visited Monday at the home of Mr. and Mrs. Bernard DeHooghe. Mrs. Little is a aunt of Mrs. DeHooghe and Mrs. Miller is a cousin.

Tom Snouwaert, son of Mr. and Mrs. Jack Snouwaert, has arrived from Fort Campbell, Ky., where he has been stationed following an honorable discharge from service.

## Playground Dance Thursday Evening

Another tennis court dance will be held at the Central Playground at 9:15 Thursday evening, it was announced yesterday by Don Pfothauer, recreation director. Records will be used and there will be a nominal admission charge.

Friday afternoon at 1 there will be free movies at the recreation building. The films this week are "Big Tim" a cartoon on railroads, "African Adventure" and "World Series of 1953."

There are about 6,000 fur farms in the United States.

## Aqua Club Is Organized Here

Organization of a boat club has been completed in Schoolcraft county and officers have been elected.

The organization known as the Kitch-iti-kiki Aqua club, has elected Robert Walters commander; Ferris Johnson, vice commander; Lee Billings, secretary, and Ted Hentschell, treasurer.

About 35 members already belong to the club and more will be accepted. It is not necessary to own a boat to belong, and membership is open to anyone interested in water sports, including boating and water skiing. The organization meeting was held Sunday at Arrowhead landing.

Plans call for participation and support by the club in the Veterans of Foreign Wars water festival. The club also plans to draft safety rules for waters in this area, and has pledged that its members will be available for assistance in all water disasters.

Members report they will provide instruction in boat handling and water skiing, at Indian Lake. Club members plan to learn the new type artificial respiration using the victim's elbows, and will teach other interested persons.

Nine club members are planning to enter boat races in the July 4th American Legion parade here.

## Dinner Dance Is Planned By Country Club

The Indian Lake Golf and Country club will hold its first informal dance of the season Saturday at the clubhouse.

A 7 p. m., dinner is planned and tickets may be obtained prior to Thursday evening. Only a limited number of tickets are available because the dining room space is small. However, the club hopes all members and their out-of-town guests who are unable to attend the dinner, may attend the evening of dancing afterwards.

Robert Orr is chairman for the orchestra and members of the dinner-dance committee are as follows: Mr. and Mrs. William F. Hood, Mr. and Mrs. Ian McKilligan, Mr. and Mrs. E. J. Thompson and Mr. and Mrs. William L. Hentschell.

Tickets can be obtained from committee members and from Sam Candella at the Country club.

## City Briefs

Mr. and Mrs. William Martinson of Muskegon, spent the weekend at the Andrew Faketty home on the River road. They were accompanied on their return trip by Mr. Faketty, who will spend two to three weeks there.

Miss Joan Benish, 207 New Elm St., has left for Chicago where she will spend the summer with her uncle and aunt Mr. and Mrs. Gerald Havda.

Louis Tebo, Indian Lake, is a patient at Schoolcraft Memorial hospital.

Harry F. Dorsey and Eloise Hindman, who were married June 23 at Waukegon, Ill., are honeymooning at the Martinson cottage at Indian Lake. The new Mrs. Dorsey was a former high school teacher here.

Mr. and Mrs. Daniel Gould, Marquette Ave., are the parents of a daughter born Monday at Schoolcraft Memorial hospital. She weighed 4 pounds, 9 1/2 ounces.

A son, Dale Alvin weighing 7 pounds 3 1/2 ounces, was born Monday to Mr. and Mrs. Alvin Winkler, Star Route, at Schoolcraft Memorial hospital.

Miss Janice Vail, 520 Washington Ave., spent the weekend at Iron River as a guest of Betty Warshawsky.

Miss Joan Sheahan, who has been teaching at Allen Park, has arrived to spend the summer here with her parents, Mr. and Mrs. William J. Sheahan, 223 Range St.

Miss Margaret Burgess and her fiancé, Jack Evans Pace, who attend school at Kalamazoo were weekend guests here of Margaret's parents, Mr. and Mrs. Franklin T. Burgess, 330 Walnut St.

Mrs. James H. Fyvie and Mrs. D. M. Creeger have returned after accompanying their daughters, Laurie Ann Fyvie and Marjeanne Creeger, to Interlochen, where they will attend the music camp for eight weeks.

## PROMPTED COLONIZATION

Loss of her colonies in America prompted Great Britain to colonize Australia, no effort having been made to settle the Antipodes before the American Revolution.

No other major city in the world has as many factory workers or as large a volume of manufactured products as Detroit.

## Legion Auxiliary Names Delegates To State Meeting

Mrs. Earl Malloch Sr., Mrs. Alex Cooper and Mrs. George Stephens were elected delegates to the American Legion Auxiliary's department convention in Detroit Aug. 4-7, at a regular meeting held in the Legion clubrooms Monday night. Alternates named were Mrs. Anton Weber, Mrs. William Barker and Mrs. Sam Anderson.

During the meeting, the Auxiliary drafted plans for a smorgasbord to be served for World War I veterans at noon July 4 in the Legion cottage. World War I veterans will be honored in the American Legion's July 4th observance here.

Auxiliary members named to the smorgasbord committee are Mrs. Anton Weber, Mrs. Napoleon LaVake, Mrs. Earl Malloch Sr., Mrs. Frank Pavlot, Mary and Sally Walters, Mrs. Fred Hahne and Mrs. John Quigley.

Plans also were made Monday night for an Auxiliary pot luck picnic to be held July 25. Reports of the convention held here July 16-19 were presented by Mrs. Earl Malloch Sr., who noted that the Auxiliary and past presidents' floats won honors. Mrs. E. J. Doyle, chairman of the July 4th Legion children's parade, reported on plans for the special event.

During the meeting it was reported that gifts have been obtained for observance of birthdays by seven Gold Star Mothers, and that Mrs. Leonard Walters is a surgical patient at Mayo Clinic in Rochester, Minn.

In card games which followed the business meeting, Mrs. Anton Weber was high and Mrs. Sam Anderson, second high, in canasta and Mrs. Earl Malloch Sr., won in buncos. Hostesses were Mrs. William Barker, Mrs. Ray Besner, Mrs. Napoleon LaVake and Mrs. Vern Johnson.

## Miss Lindberg Receives Nursing Scholarship Here

Miss Patricia Lindberg, daughter of Mr. and Mrs. Marcus Lindberg, 608 Range St., has been awarded a \$100 nursing scholarship by department past presidents of the American Legion Auxiliary.

Announcement of the scholarship award was made here Monday night during the regular meeting of the Auxiliary of American Legion Post 83.

Miss Lindberg, a 1955 graduate of Manistique High School, will leave Aug. 28 to attend St. Luke Hospital School of Nursing in Marquette.

M. Kelly vs. S. Stroud	N. Nelson vs. S. Phillips
M. Hentschell vs. F. Pawley	M. Orr vs. M. Kimmord
Substitutes: R. Manning, M. Estren, E. Ekstrom.	

## Social

**Birthday Party**  
Nancy Matthews, daughter of Mr. and Mrs. Martin Hoholik, 126 N. 4th St., entertained friends recently on her 12th birthday.

The girls enjoyed an evening of roller skating followed by an ice cream treat.

Those attending were Paulette LeBrasseur, Harriet LaFollette, Sherry Bennet and Mona Minor.

## The EDISON SAULT ELECTRIC COMPANY

Is Pleased to Announce

The Completion of Its New Sub-station at Manistique

The new installation will provide 3,000 additional KVA for your city, to better serve private and industrial needs.

We are happy to be able to supply the electrical demands for a community with a good growth potential.

## Pinecrest Costs Are Increased

Schoolcraft county Board of Supervisors was informed Monday by Dr. John W. Towey, director of Pinecrest Sanatorium at Powers, that effective June 1, the per diem cost to patients there would be \$7.50 instead of \$7.

The increase in charges is necessary because of increased operating costs, Dr. Towey stated in his letter.

Schoolcraft county has four patients in the sanatorium at present. The average of patients there per month from the county is 3 to 5.

The board of supervisors Monday authorized attendance of county officers at respective state conventions or they also went on record favoring continuance of the U. P. Supervisors association, which has been inactive for several months; and attendance of supervisors at state assessors' meetings later this year.

Supervisors in addition heard a report from Herbert Burns, supervisor of Manistique township, on reconditioning of the county airport. The lighting system is being renovated and markers and other structures are being painted.

The supervisors adjourned at 4 p. m. Monday until their next session in October.

## Fords Drop First Game Of Season

The Fords dropped their first game of the season Monday night when they were defeated 2-0 by Top O'Lakes.

Butler slammed a home run in the second inning to put the Lakers ahead 1-0. They scored again in the 5th on an error after Van Remortal walked and Morin sacrificed him to second.

McNamara gave up six hits in shutting out the Fords. Adams, the losing pitcher, gave up only two hits and walked two.

In the opening game Monday night, Inland beat the Paper Mill 18 to 7. Fourteen men were at bat in the first inning, with every man in the Inland lineup scoring one run. Inland battled around again in the 6th inning for six more runs. Tufnell was the winning pitcher and Carlson the loser.

## First Methodist Church Engages New Minister

The Rev. Elwyn C. Parlin, of Crystal Falls, has been appointed pastor of the First Methodist church here and will conduct his first services here at 11 a. m., Sunday.

Rev. Parlin, who has been in Crystal Falls 15 years, succeeds the Rev. Carroll Halbert.

Mrs. Parlin is scheduled to accompany her husband here this week.

Classified Ads cost little but do a big job

## NOTICE TO BIDDERS

The City of Manistique reserves the right to waive any irregularity in any bid, or to reject any or all bids, and choose the bid that they think would be for the best interest of the City. All Bids are to be plainly marked "Truck Bid".

W. A. Moreau  
City Clerk

## Girls' Day Camp Starts July 5

The Manistique Day Camp will open Tuesday morning, July 5 and will be in operation for two weeks. It has been announced by Miss Evelyn Berwin, day camp director.

The camp will be located on the Henry Weber property on Indian Lake. Girls will be transported to and from the campsite daily. Pick-up depots will be the Ossie hotel on the eastside and the Lincoln school, on the westside, at 9:00 a. m. daily.

The program, according to the director, who recently returned from Camp Edith Macy Training School for Day Camp Directors located at New York, will specialize in outdoor crafts and will include cooking, handicraft, singing, hiking, and nature study. There will be one "over-night" each camp week for older girls who have their parents permission. Separate units will be planned for Brownies and Intermediates.

"This type of camping experience is a valuable step in preparing the girls for a more pioneer camp, such as Timber Trail, and an excellent media for fulfilling some requirements for badge certification," Miss Berwin explains.

Registration blanks may be obtained at the Manistique Public Library or from the registrars, who are Mrs. John Kelly, Arbutus ave. and Mrs. Eldon Norton, 119 N. Third st. The camping fee is \$2.00 per week for registered scouts and \$4.00 per week for non-registered girls.

Persons willing to help with the camp program, or to provide needed transportation, are requested to contact Mrs. Leroy Wilson, day camp chairman.

## 'Polio Season' Wrong Time For Tonsil Operations

The Alger-Schoolcraft Health department today advised parents not to have their children receive immunizations or have their tonsils removed during the "polio season."

Statistics have shown that some children who have had surgery during this period develop the bulbar type polio, which in most instances is fatal. Dr. R. A. Tearnan, health department director explained. In addition, cases have been reported where children develop paralysis at the site of injections for immunization, in the summer, he said.

The months of July and August, and sometimes September, are considered in the "polio season," he added.

No cases of poliomyelitis have been reported to the health department here. This spring 385 Schoolcraft youngsters received their first injection of Salk vaccine. The second clinic has not been held yet because vaccine has not been available due to checks on the new serum.

## Miss Hammermeister Become Bride Of Isadore Couta

HIAWATHA—Isadore Couta and Miss Edna Hammermeister, of Engadine, were married at the Hiawatha Foursquare Church at noon Sunday. The Rev. Nile Byers officiated at the double ring ceremony.

The matron of honor was Mrs. Leo Gould, sister of the bridegroom, and best man was Leo Gould.

The bride wore an afternoon dress of aqua rayon with navy blue accessories. The matron of honor wore a gold color rayon afternoon dress with black accessories.

The Rev. Violet Byers played the traditional organ wedding music and sang "I Love You Truly." The couple will live in Engadine.

## Fly Fishing Order For Fox River Is Protested Here

The Schoolcraft County board of supervisors, in session Monday afternoon, supported a resolution of the Germfask-Seney Lions club asking the Michigan Conservation department to rescind its order closing the East Branch of the Fox River to all but trout fly fishing for five years beginning Jan. 1, 1955.

The Lions club adopted the resolution May 10 on the grounds that the east branch is not a fly stream and that the order discriminates against a majority of fishermen in the most accessible part of the stream. It asks that the order be rescinded after this year.

The Board of Supervisors pointed out that the Conservation department order in essence is "teiling; mar how to fish", and agreed that the order is discriminatory and that the stream is not a fly stream.

Schoolcraft supervisors Monday also lent support to resolutions from Sanilac, Houghton and Ionia counties protesting to the State Legislature the law which provides that taxes must be levied on state equalized valuations. The requirement removes the power to tax from assessing officers in the "most intimate contact with the people," and "widens the gap between those who govern and the governed", the resolution notes, adding that the new tax arrangement is a violation of the basic principle on which U. S. government is founded.

Also supported by supervisors here, in January, is a resolution asking the State Legislature to lower the necessary millage levy from 5 to 3.5 to qualify school districts.

Supervisors also supported a resolution asking the State Legislature to lower the necessary millage levy from 5 to 3.5 to qualify school districts.

Tigers Sign Three Young Mound Stars

DETROIT (AP) — A Gladwin, Mich., right-hander is one of three young pitchers signed to Detroit Tiger contracts and assigned to its Jamestown, N. Y., farm club.  
Bill Page, 19, who won 17 games and lost four in four years at Gladwin High School, now is enrolled at Western Michigan College. He is 6-1 and weighs 185 pounds.  
Alan Dwyer, a right-hander, was signed from Nichols Junior College in Dudley, Mass., where he won nine and lost two. Dwyer, 23, has pitched for semi pro and Legion teams.  
Joe Grzenda, 18, Scranton, Pa., left-hander, won 15 and lost two at high school and fanned 235 batters in two seasons, averaging two strikeouts per inning.

Yesterday's Stars

(By The Associated Press)  
Pitching—Frank Sullivan, Red Sox, gained his second straight shutout and 10th victory, holding Washington to three hits in the first game of a twin-bill doubleheader won by Boston 4-0 and 8-2.  
Hitting—Johnny Temple, Redlegs, drove in five runs with four hits as Cincinnati moved into fourth place with 9-1 victory over St. Louis.

Sports Roundup

By GAYLE TALBOT  
NEW YORK (AP)—Did you know that the first formal rules of baseball drawn up by Alexander Cartwright in 1845 said that a ball caught on first bounce was an out? Or that for one season, 1885, it was permissible to flatten the bat on one side? Or that only in 1887, did a base on balls count as a base hit?  
In the late Hy Turkin's "Baseball Almanac" for 1935, we ran into a section listing all the important rules changes.  
It wasn't until the year Hugh Duffy of Boston set his all-time batting record of .438, in 1895, that a foul tip became a strike, and not until 1901 did the National

Three Big Changes In All-Star Poll

CHICAGO (AP)—Three major changes were recorded today in the All Star baseball poll which ends midnight Friday in determining the starting lineups for the game at Milwaukee, July 12.  
Duke Snider of Brooklyn took the lead among centerfielders in the National League and Stan Musial of St. Louis overtook Ted Kluszewski of Cincinnati in the race for first base.  
In the American League, Jim Finigan of Kansas City jumped ahead of third baseman George Kell of the Chicago White Sox.

In This Corner With Ray Crandall

Remember young Paul Coppo who made his appearance with a classy Houghton kid-line in the Northern Michigan-Ontario Hockey League last year. . . . He's quite a baseball pitcher too. . . . Tossed the Hancock Merchants to a 19-7 victory over Gwin in a U. P. League game Sunday. . . . Also led his mates at the plate with three hits in four trips and scored four runs. . . . Barry Mussatto was one of three Gwin pitchers to see action.

In another U. P. League game Sunday, Mel Karkkainen, former Escanaba Bear fireballer, pitched Munising to a 9-2 win over Ishpeming. . . . Local baseball fans can never forget Mel burning the ball across the plate in Tri County League play a few years back. . . . Sunday he struck out 10 batters in eight innings.

A hole-in-one popped up at the North Shore Golf Club in Menominee this week, the first reported in the Upper Peninsula this season. . . . We haven't had an ace in Escanaba in a long time. There have been none this season nor last season at the Escanaba Golf Club and the last one scored at Highland was by Runar Beck on the No. 6 hole in 1952.

The first professional boxing match to be held in the Upper Peninsula in over a decade will be staged at Sault Ste. Marie on the Fourth of July. . . . Meeting in the main event will be Jerry Fowler, Chicago, and John Perry, Detroit, young welterweight prospects. . . . The last pro boxing bout we saw in the Upper Peninsula matched Omar Crocker of Iron Mountain against Eddie Bisque of Iron River back about 1935. . . . Crocker went on to fame as a national collegiate champion at the University of Wisconsin and is now refereeing fights in Milwaukee. . . . He would have been a terrific favorite with the current television fight fans for he possessed a fabulous punch. . . . Few college foes could go three rounds with him and if we're not mistaken he lost only one bout in his collegiate career.

Red Sox Challenge Tigers For Fourth; Sullivan Ace

The Associated Press  
The two victories moved Boston within a half game of the fourth-place Detroit Tigers, who whacked the Chicago White Sox 5-4 in 10 innings. Cleveland, meanwhile, moved to within two games of Chicago by defeating Kansas City 7-5.  
New York and Baltimore were idle.  
In the National, first-place Brooklyn pushed the New York Giants into fifth place 6-5 while the second-place Chicago Cubs beat the threatening Milwaukee Braves 7-3. Cincinnati replaced the Giants in fourth place by rapping St. Louis 9-1. And Pittsburgh beat Philadelphia 7-5 in 10 innings after the Phils nailed the wrapup of a suspended April 24 game 3-0.  
Snyder Provides Win  
The White Sox, now 3½ behind the Yanks, battled back from a 4-0 deficit against the Tigers only to lose it as Frank House singled the winning run across with two out in the 10th. Frank Lary won it in relief while Millard Howell took the defeat.  
Cleveland smacked the A's for six runs in the second inning, three of them coming on a homer by Larry Doby, as Mike Garcia won his fourth.  
Duke Snider whacked a homer, good for Brooklyn's deciding run in the eighth, and took the major league home run lead with 24. Sal Maglie, who had won eight straight was the loser while Karl Spooner won his second with relief help from Ed Rebeck.  
Cubs Hit Homers  
The Cubs went on a homer binge as Ernie Banks and Jim King each hit a pair behind Sam Jones' seven-hit pitching. Banks hit his first with two on in the opening frame off loser Warren Spahn.  
Four singles were good for three 10th-inning runs for the Pirates and were enough to cover Philadelphia's single marker in the bottom half of the frame in the regularly scheduled game. The Phils added a run to their 2-0 lead in final inning of the suspended game.

Chicago Homers Tame Milwaukee Braves 7-3

MILWAUKEE (AP)—The second place Chicago Cubs bumped off their closest threat, the Milwaukee Braves, 7-3, Tuesday night on two home runs apiece by Ernie Banks and Jim King.  
Sam (no-hit) Jones, going the distance, gave up seven hits in bagging his eighth win against nine setbacks and fanned 12 batters to run his season streakout total to 105. He struck out all three Milwaukee pinch hitters.  
Banks accounted for four of the Cubs runs with his 17th and 18th homers and King the other three with his 4th and 5th circuit clouts.  
Though they shoved the threatening Braves 1½ games behind them in the opener of the three-game series here, the Cubs gained no ground on pace setting Brooklyn, who nosed out the New York Giants to remain 12½ games in front in the National.  
The Cubs started off bright and early off Warren Spahn. The first two Chicago batters, Eddie Miksis and Gene Baker, punched singles to left. Banks slugged his first homer of the evening for a 3-0 lead. In the third inning King put one over the right field fence with none on and Banks followed with his second four-base smash.  
Score by innings:  
Chicago 302 000 020-7 7 1  
Milwaukee 000 002 010-3 7 1  
Jones and McCullough; Spahn, Crone (4), and Crandall, L-Spahn.  
Home Runs—Chicago, Banks 2, King 2, Milwaukee, Aaron.

Flurry Of Knockouts Upsets Ring Ratings

NEW YORK (AP)—A flurry of knockouts in important fights during the past month brought in a new champion, three fresh top contenders, and resulted in a reshuffling of several divisions by Ring magazine today.  
Light heavyweight champion Archie Moore's third round kayo of middleweight king Carl (Bobo) Olson earned the 38-year-old veteran "the fighter of the month" award and solidified his already strong position as the No. 1 heavyweight contender.  
Carmen Basilio of Canastota, N. Y., dethroned Boston's Tony Demarco as welterweight champion with a 12th round TKO. The chunky Bostonian took over the top contender's berth vacated by Basilio.  
France's Ray Famechon became the No. 1 contender among the featherweights because of Percy Bassett's retirement and Italy's Mario D'Agata moved into the top contender position among the bantamweights.  
D'Agata was promoted when Mexico's Ranton Macias, NBA-recognized bantamweight king, was stopped in three rounds by Billy Peacock of Los Angeles in an over-weight scrap. France's Robert Cohen who is recognized as world champion by most boxing groups, Macias fell to fourth among the elite.  
In the heavyweight division, Tommy (Hurricane) Jackson with six straight victories, moved into the fourth berth, dropping Cuba's Nino Valdes to fifth. Moore is followed by Bob Baker of Pittsburgh and England's Don Cockell.

Cooling thought for a summer day. Step inside and join your friends in comfort with a cool drink made with sociable Corby's Whiskey. Ask for it, today.

BLENDING WHISKY—66 PROOF—68.4% GRAIN NEUTRAL SPIRITS—JAS. BARCLAY & CO. LIMITED, PEORIA, ILLINOIS

U.P. Senior Golf Tourney At Gladstone Club July 30

GLADSTONE — A field of 150 senior golfers from throughout the Upper Peninsula will tour the tough Days River Golf Course here on Saturday, July 30, in the 17th annual Old Timers tournament.  
James T. Jones will be chairman of the 1955 tournament and announced today that committees will be appointed as tourney plans proceed.

Anspaugh's Team Climbs In League

Charles Anspaugh's team continued its rise in the Escanaba Golf Club team event last evening 10½ to 1½ over the Arvo Hendrickson team.  
Jim Hall's team retained its top spot in the standings in spite of an 8½-3½ loss to Bob Losse's team. Low gross scores were turned in by Bob Kolb with 37 and Jack Root with 39. Two weeks remain in the first half schedule. Standings follow:  
Hall 49, Boyce 47½, Losse 44½, Dickson 42, Ward 42, Anspaugh 40, Frost 39½, Hogan 37½, Beninger 36, Needham 35, Bennett 34½, Freeman 34, Gerletti 31½, Hendrickson 26, Barry 21½ and Snyder 15½.

The Old Timers tournament is an annual highlight of Upper Peninsula golf. It was held last year at the Iron Mountain Pine Grove Country Club.  
Escanaba and Gladstone clubs are expected to enter a long list of golfers over 50" in the tournament, which is played in one day.  
The tournament will consist of three flights. Golfers 50 through 59 will play 18 holes in the A Flight, golfers 60 through 69 will go 1½ holes in B Flight, and golfers 70 through 90 will be in a 9-hole C Flight. Champions will be crowned in each flight and prizes awarded all winning competitors.

Golfers To Register For Inter-Club Match

Escanaba Golf Club members who will compete in the inter-club match with Gladstone Saturday are asked by Pro Jim McNicoll to register at the golf shop.  
Members must also register for the foursome team event to be held Monday morning.

The Cotton Bowl All-Star team, selected by sports writers, includes Sammy Baugh and Ki Aldrich who played in the first game 19 years ago.

Carter Defends Title Tonight

BOSTON (AP)—Adaptable Jimmy Carter pits his varied styles against hard-hitting Wallace (Bud) Smith tonight in defense of his world lightweight boxing championship at Boston Garden.  
The scheduled 15-rounder is the 11th title fight for Carter — the only man in history to hold the same crown three times.  
Carter, who carries a wallop himself and can be very elusive, is a 4 to 1 favorite.  
The bout will be broadcast (ABC) and telecast (ABC) at 8 p.m. (CST).  
Smith, a sound fighter with a particularly sharp left hook, lost a 10 round decision to the lightweight king in his hometown of Cincinnati five years ago.  
Carter carries a knockout punch himself. He's kayoed 28 opponents while running up 70 victories, 18 defeats and nine draws. Smith's record is 31-11-5 including 18 knockouts.  
Carter's unusual record includes losing and regaining his lightweight crown to Lauro Salas in 1952 and Paddy DeMarco in 1954. He first won the title from Ike Williams on a technical knockout in 1951.

Bears Will Invade Manistique Monday

The Escanaba Bears, who face the league-leading Niagara Badgers here Sunday in the feature Tri County League game, will renew an old rivalry Monday afternoon at Manistique in a Fourth of July clash with the Cardinals.  
Manager Wally Flath announced the Bears will invade Manistique Monday afternoon with a full squad of regulars. John Berrigan will likely toe the slab for the Bears. Manistique is a member of the Bay de Noe League. The Cardinals have won three and lost two this season under manager Fred Lesica.  
The Bears suffered their first league loss Sunday at Daggett, bowing 7-6 in a 10-inning contest. They have won four.

## President Signs Pay Raise Bill

WASHINGTON — President Eisenhower Tuesday signed the bill raising the pay of 1,073,262 federal employees 7½ per cent or an average of about \$325 a year.

Enactment of the measure completes a round of U.S. pay increases voted at this session totaling about 1¼ billion dollars.

The bill signed today covers 983,057 classified civil service employees throughout the nation and 90,205 others in various government agencies with separate pay systems.

The increase, which will cost about 328 million dollars a year, is retroactive to March 1. This means the employees will get lump sum payments totaling about 110 million as soon as they can be arranged.

The annual payroll for the workers covered by the bill now is about \$4,350,000,000 a year. The last general pay raise for these workers was in 1951.

The increases will run from about \$190 a year to \$1,005 for the civil service employees.

## Banker's Aim Bad; Bandit Gets \$10,000

MINNEAPOLIS (AP)—Bank President Allen Burrill kept a deer rifle in his office at the Citizens State Bank in suburban St. Louis Park—just in case.

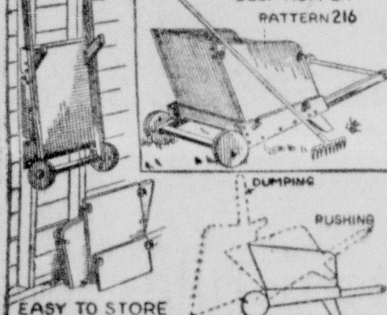

Monday came his chance to use it, but his aim wasn't good enough to prevent an armed bandit from fleeing with \$10,000.

He grabbed the rifle when he was informed that a teller, Mrs. Rayma Kohout, was being held up. Before firing, he shouted a warning to 10 employees and eight customers. Then he let fly with four shots. All hit the walls and the bandit escaped unscathed in a stolen car.

The car was later found abandoned two miles from the bank.

## Workshop Patterns

by Ruth Wyeth Spears

EASY TO STORE

This cart beats a wheelbarrow when doing the chores around the homestead. For example, it may be tipped up to rest the front on the ground so grass clippings may be raked into it. The deep hopper holds a lot of litter meaning fewer trips to the compost heap. Having two wheels and a broad base it is easier to handle than a barrow. Eight-inch disk wheels would be better than the wooden ones shown in the sketch. When the garden is cleaned up for the winter just remove the wing nuts and hang the cart in an out-of-the-way corner of the garage. The pattern is 25c or it will be included in the Gardeners' Helpers Packet of five standard size patterns for \$1. postpaid. WORKSHOP PATTERN SERVICE Escanaba Daily Press Bedford Hills, New York

## Grandma's Gone Nuts---Hatwise

When it comes to crazy hats, just leave it to grandma. At least that's what Charter 115 of the Federated Grandmothers' Club of America believes. So they held a Crazy Hat contest in Houston, Texas—where the group is located—and here are the winners: Mrs. R. H. Lambert, top, walked off (a bit unsteadily) with all the honors for her "Picnicking With My Grandchildren in the Park." Mrs. Sophie Lubowski, bottom left, came in second with her creation, which features a hen setting on two hard-boiled eggs in a nest of yarn. Flag on top reads: "Hatching, Don't Disturb." And Mrs. Jessie Thompson, bottom right, showed up with a fashion that was super back in 1917—and is still good enough to win the "oldest hat" prize in the contest. Proceeds from the contest went to youth welfare projects the group sponsors.

This one topped them all . . .

second best . . .

still "popular" . . .

## Perkins

Baptism PERKINS — Joan Elizabeth, daughter of Mr. and Mrs. Ray Louis, was baptized Sunday, June 26, at St. Joseph Church with the Rev. Edward Malloy officiating. Sponsors were Kathleen and Robert Hughes of Escanaba.

Mass Schedule Daily Masses at St. Joseph Church during the week will be at 7 a. m. except Saturday when a Nuptial Mass will be at 10 a. m.

Confessions will be heard Thursday from 7 to 8 p. m. for the First Friday. Communion will be given at 7 and 8 Friday morning.

Mr. and Mrs. Lee Brown recently returned from a week's visit with their three sons and their families. They visited with the Cleo Browns and Aldon Browns at Eaton Rapids and Lloyd Browns at Lansing.

SENSITIVE OWLS Owls, in flight, are as swift as swallows and are as sensitive to sound as a radio receiving set, in addition to being able to see in the dark.

## Man Adjusts To Life Of Hiccups

AMBRIDGE, Pa. (AP)—Victor Dionise, 47, has learned to live with his hiccups. He has been hiccupping for 24 years. At first the hiccups lasted only 15 minutes at a time but now he's hiccupping almost with every breath.

He managed to work steadily as a crane operator, but recently he opened a car repair shop near his home.

Dionise says he's tried hundreds of remedies, has been examined at two famed medical clinics—but has yet to find relief. He's gone as far as to drink a jug of whiskey, spiked with garlic, and he's trying every new remedy.

POLE PROXIMITIES Towns of northernmost Alabama, Georgia, and Mississippi are closer to the North Pole than Africa's southernmost tip is to the South Pole.
